Itineraries are subject to change due to timing, weather, facility closures and other factors. Efforts will be made to stay as close to the original schedule as possible. Times are approximate and may vary slightly. Please arrive at your pickup location early so that we can stay as close to the schedule as possible.

TIPS:

- Please arrive early so we can check you in and depart on time.
- Notify your van driver if you need to stop to use the restroom or stretch your legs.
- Wear comfortable clothes and walking/hiking shoes with good tread and ankle support.
- Check the weather the night before and dress in layers if you are uncertain. If rain is predicted, raincoats with hoods are better than umbrellas.
- Bring sunscreen, bug spray, and always wear a hat.
- Bring any special foods or medicines, a full refillable water bottle, and a snack if you get hungry during the day in a small “carry-on” type bag.
- Bring your cameras with extra batteries and sufficient memory cards – there will be lots to see and photograph, and you do not want to run out of juice! Binoculars will enhance the views.
- **Pack light – one small piece of luggage per person – space in the vans is extremely limited.**
- Leave expensive jewelry at home.
- If you have a National Parks Pass, please bring it with you.
- **Navajo Nation** is one hour ahead (Mountain time zone)
- **Navajo Nation may have specific mask requirements at tribal facilities.**
- **No alcohol allowed!** It is illegal to bring or consume alcohol within the Navajo Reservation.
- In order to enjoy your experience as fully as possible, it is important to understand and appreciate cultural, etiquette and communication differences on Indian lands. Always be respectful. Your coordinators will provide additional and necessary information and are always available to answer your questions.
- Activity level will be moderate with some walking over irregular terrain. The 4x4 tour of the Canyon will be bumpy as it crosses the river in several places.
- Have **FUN!**
