

Associate of Applied Science - Management

Program Description

The Management degree program prepares students to use management theory along with knowledge in business, economics, business law, accounting, and computer information systems to solve basic business problems.

Note: Since this degree is primarily designed for direct employment, students interested in a transfer program in a business field should see an academic advisor for an educational plan.

Program Contacts

- Instructional Specialist: Holly Molina (holly.molina@yc.edu), telephone: (928) 776-2295
- Instructional Specialist: Mitzi Martin (mitzi.martin@yc.edu), telephone: (928) 776-2157
- Dean: Jill Fitzgerald (jill.fitzgerald@yc.edu), telephone: (928) 776-2277

Program Outcomes

Upon successful completion of the Management Degree program, the learner will be able to:

1. Analyze and synthesize information through critical thinking.
2. Apply written, oral and interpersonal skills in business settings.
3. Identify ethical issues and apply the values of professional responsibility.
4. Apply the management principles of planning, organizing, leading and controlling to solve common management issues.

Program Requirements

A minimum of 62 credit hours is required to complete the Management Degree.
