

ATTENTION!

Yavapai College Accounting, Business, Computer Science, and Real Estate Scholarships **AVAILABLE**

The application deadline for 2009–2010 Yavapai College Business Division Scholarships is **April 1, 2009**.

Completed applications for 2009–2010 **must include each of the following:**

1. The **completed scholarship application** form.
Available from the Financial Aid Office or at <http://www.yc.edu/content/financialaid/scholarships/default.htm>.
2. An **application letter** to accompany the application form. The application letter must include information as to the student's anticipated status as a full-time or part-time student during the coming scholastic year, as well as the student's course of study and other information as outlined on the Scholarship Application Form.
3. A one page, double-spaced **essay** describing how the student envisions their future in the work-place ten years from now. The essay should include how they will contribute to their community, and how completing work at Yavapai College will assist them in successfully achieving their plans for the future.

NOTE: If you have already turned in you application and did not include an essay, you should complete an essay and turn in to the Financial Aid Office.

To be considered for a Business Division Scholarship a student must have an earned GPA of 3.0 or better and must have declared one of the following certificate or degree programs:

Degrees:

Associate of Business Degree (A-BUS)
Associate of Applied Science Degrees:
Accounting
Computing Systems and Applications
Management
