What was the injury/condition that prevented, limited, or altered the student-athlete named above, in participation in, or preparation for, athletic activity.

Injury/Condition

Comments _____

Date first seen and/or treated _____

On the basis of my treatment, and/or evaluation, I have found no reason which makes it medically inadvisable for this student-athlete to fully and completely participate in any intercollegiate athletic activities and release this student-athlete from further complications from the previous injury/condition listed above.
