

Check out DegreeWorks Today!

DegreeWorks is a web-based tool designed to monitor your progress toward degree/certificate completion. Audit worksheets combine program of study requirements with the coursework you have completed to show you where you stand toward earning your degree and/or certificate. Available to students utilizing the 2010-2011 or later catalog year program requirements.

Everything at your fingertips 24 hours a day...review your current program of study, run what-if scenarios, calculate your GPA and more!

1. Visit **www.yc.edu** and log in to **myYC** using your network **Username** and **Password**
2. Once in your portal click on  **DegreeWorks** in the upper-right hand corner.
