The Center operates on a year round basis, Monday – Friday, 7:45 am – 5:15 pm. The program is closed for all holidays and scheduled closures observed by Yavapai College. In addition the Center will be closed for 2 weeks in the summer. Upon enrollment, each parent will be provided with a Parent Handbook and an Annual Calendar which will provide more details about closures.

Monthly tuition includes 3 nutritious meals a day (breakfast, lunch and afternoon snack), prepared in our own kitchen. It also includes formula and baby food used in the infant room, plus diapers for the infant and toddler rooms.

Tuition rates have been calculated so parents pay a consistent monthly rate, based on an average of 20 operating days per month. Some months the Center will be open more than 20 days, and some months less than 20 days, but monthly tuition will remain constant, except for the month of December, when parents will only be billed for 3 weeks.

Tuition will not be reduced or waived for partial attendance (due to illness, family vacation, or center closure) except under extenuating circumstances and with special approval of the director. Tuition is due on the 1st of each month. Parents may also elect to pay ½ the month's tuition on the 1st and the balance on the 15th of the month.

The Center reserves the right to raise tuition rates, and or change the above billing policy at any time. Parents will be given a minimum of 3 months notice before any rate increase.
