YC 253-19

WHO ARE WE?

The Friends of the FEC is a group of individuals and companies dedicated to early childhood education. By supporting the FEC, the Friends group directly impacts the young children who attend the Del E. Webb Family Enrichment Center, their parents and the Yavapai College students who are pursuing a degree and career in early childhood education.

Providing Early Enrichment

Studies confirm the vital role early learning plays in a child's future success in school and life. At the FEC, children are learning all the time! Teachers support and challenge them to develop new skills, to think creatively, and to work together to solve problems. Our goal is to build on each child's natural inquisitiveness and to cultivate a lifelong passion for learning. The Center promotes parent involvement and serves as a model for the broader community.

Training Future Teachers

FEC's program provides hands-on teaching experience for Yavapai College students. As the only early childhood education lab school in Northern Arizona, the FEC is an invaluable resource for elementary and early childhood education students at Yavapai College. Under the guidance and mentorship of the FEC teaching staff, students put theory into practice and develop the skills to become confident, competent teachers.

Helping Students Succeed

Students who are parents of young children face many challenges to succeeding in school. The FEC provides student parents with childcare discounts and information about good parenting practices. FEC teachers develop trusted relationships with parents and are often able to provide needed support or referrals when unexpected challenges threaten a student's ability to stay in school and graduate.

“FEC’s program provides hands-on teaching experience for Yavapai College students.”

FACTS ABOUT FEC

The FEC serves the children of Yavapai College students and employees, as well as families from the community. By offering tuition discounts and scholarships, the FEC is able to serve a diverse group of families, many of whom would be unable to afford the program without this financial support.

- Since its inception in 2007, the FEC has served more than 285 families.
- The FEC provides learning opportunities to hundreds of college students each year.
- Your contribution makes it possible for someone to gain a college education, knowing that their child is well cared for and engaged in learning at the FEC.

WHY JOIN FRIENDS OF THE FEC?

Your membership and support will directly impact hundreds of children and families. You can help the FEC continue on its path of excellence while assuring that it remains accessible to families.

As a membership benefit, you will receive periodic updates on the achievements of the Center, an invitation to our “Framing the Future” luncheon, and other informational materials. There are also many volunteer opportunities you will learn about throughout the year.

HOW DO I JOIN?

Join the Friends of the FEC today by completing the membership form on the back and mailing it along with your annual membership fee.

You can also contribute online by visiting www.yc.edu/friendsofthefec

Donations can also be made to the FEC Endowment fund, designed to assure the long-term sustainability of the program. Donations of any amount can be made today, or legacy contributions can be pledged.

Contact the Yavapai College Foundation at 928.776.2025 to learn more about these giving opportunities.
