

YCSA COMMUNICATIONS COMMITTEE MEETING MINUTES

Apr. 20, 2022

In attendance: Tim Diesch, Adrienne Carlos, Nicole Mangelsdorf, Kelsey Rumsey

Tim updated the committee members that the YCSA Executive Board has asked us to update the design of the newsletter, and to expand content therein. The committee agreed to the request, though we're awaiting the final word that this is the direction they would like to go.

In preparation for the likelihood of a design update, Tim will look into various online platforms (like Canva) that would be relatively easy for committee members to use to design and publish newsletters going forward.
