Flexible Spending Account (FSA) Receipts Due for 2020-2021

As you know, we made the decision to implement a two-month grace period for plan year (7/1/2020-6/30/2021) due to the ongoing effects of the pandemic. What this means is that if you remain employed with YC, you will be able to use your remaining 2020 - 2021 FSA dollars for medical expenses incurred through August 31, 2021. Receipts must be submitted to Summit by September 30, 2021. [Submit receipts online](#) for fastest processing.
