

Beginner Sewing Projects

Project Supply Lists

Students will need a standard sewing kit to complete all projects in this class. A standard sewing kit includes: fabric scissors, small scissors/snips, pins, pin cushion, soft measuring tape, marking tools & a seam ripper.

Students must strictly adhere to all fabric content requirements. The wrong fabric will make the projects much harder than they need to be.

Any questions about project requirements can be sent to Zoe@SummerSapphires.com.

Beginner Tote Bag

Fabric

1 yard of lightweight, 100% cotton canvas fabric (Main Fabric)

1 yard of 100% cotton fabric (Lining Fabric)
