

District Governing Board Highlights October 2024

Alcohol and Drug Prevention & Recovery

September was an active month for connecting with students! YC staff members Kellie Porter and Eric Barnes led a fun, game-based alcohol education training called “The Buzz” for several student athletes, including the Men’s Basketball and Softball teams. This engaging training encouraged athletes to reflect on their personal experiences with alcohol and learn harm reduction strategies to protect themselves and their peers.

When providing feedback, some of our athletes shared:

“I thought the whole program was engaging and contained useful information.”

“The facts helped me understand the effects of alcohol.”

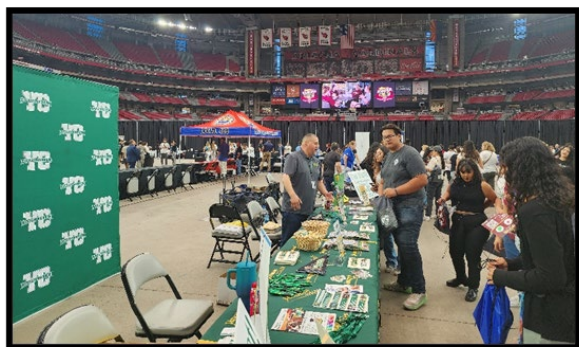

Recruitment

High School Visits

YC's Recruitment Team provided YC presentations at 15 Arizona High Schools in September, including single-school or multi-school ACC Fairs.

YC Food Pantry

On September 19th, a pickup truck rolled up outside of Building One with a truck bed full of food for the YC Food Pantry. A very generous member of our community had a birthday party and instead of asking for gifts she asked for food donations. This generous act added 426 lbs. of food to the pantry shelves.

Community Mobile Food Distribution

On September 27th, the Yavapai College Food Pantry in collaboration with St. Mary's Food Bank, held a mobile food distribution in our parking lot. Early Friday morning St. Mary's delivered 8 pallets of food that were 5 feet high! That was 10,800 lbs. of food!

The delivery included milk, chicken, fruit, potatoes and other vegetables, bread, snacks and Coke products.

63 volunteers which included staff, faculty and students, got to work repackaging everything into manageable portions to load into the vehicles of our community members.

111 cars drove through to pick up food for 194 households. A total of 426 family members benefited from this wonderful bounty. Campus Safety and Facilities did an excellent job of making sure everything ran smoothly and the Arizona Rangers kept all the cars moving in an orderly manner. The event was so successful that the YC Food Pantry will be holding this event every semester.
