## 302 Board Chairperson Role & Authority

The Yavapai College District Governing Board Chairperson (referred to as Board President in Arizona statute) is to ensure the integrity of the Board's process and to represent the Board to outside parties. The Chairperson's responsibilities include, but are not limited to, the following items. The Chairperson shall:

1. Ensure that the Board acts consistent with its own policies and those imposed upon it by law and regulations.
2. Ensure that meeting agendas include only those issues which clearly belong to the Board to decide. The President may include appropriate agenda item(s) that is/are informational or require motion(s) from the Board.
3. Ensure that deliberations are timely, fair, orderly, and thorough, but also efficient, limited to time and kept to the point.
4. Endeavor to ensure that all Board members are treated with fairness and respect at all Board meetings.
5. Identify and ensure that any violations of the Board's policies concerning individual and group behavior are addressed promptly and in an appropriate manner.
6. Ensure that the Board self-evaluates at least once a year with the intention of evaluating the Board and Board members' compliance with Board Policy.
7. Ensure that new Board members will be oriented in a manner that ensures acquaintance with all the Board's most critical responsibilities, documents, and processes. Board members will be familiarized with:
  - a. Title 15, Chapter 12- Community Colleges, of the Arizona Revised Statutes and with the Open Meeting Law.
  - b. The Board's policy manual.
  - c. The principles and practices of policy development (through relevant readings and workshop attendance).
  - d. The responsibilities of all staff engaged in Board support (including a meeting with the President).
8. Appoint Board liaisons annually. The role of the Board liaisons is to serve as a communication representative between the Board and the committee. The Board liaisons serve as the point of contact for information review, input, and approval prior to Board receipt. Board liaisons attend and participate in meetings and conference calls of their assigned committees. Board liaisons should provide input to their assigned committees, especially in terms of Board policies. Upon request, Board liaisons provide written or oral reports on the progress of their assigned committees. The positions are:

- b. AACCT Representative.
- c. Board Spokesperson, who is the formal conduit for the Board and is responsible for communicating Board decisions with the public and the media. When acting in her/his official capacity as Board Spokesperson, the Spokesperson shall speak with one voice on behalf of the Board, instead of communicating her/his personal views on the matter. If appropriate in the Chair's judgment, the Chair may designate at any time another Board member to serve as an adjunct Spokesperson on specific matters for a specific period of time.

The Chair has the authority to make all decisions that fall within a reasonable interpretation of the Board's governance process and Board-president relationship policies. The Chair does not have the authority to make decisions that fall within the Board's goals or Presidential Role policies. Therefore, the Chair has no authority to supervise or direct the President.

The Chair is empowered to chair Board meetings with all commonly accepted power of that position (e.g., ruling, recognizing).

The Chair has the authority to publicly state Chair decisions and interpretations within the area delegated to her/him.

The Chair may delegate her/his authority at any time but remains accountable for its use.

The YC District Governing Board members hereby delegate to the Chair or his/her designee the authority to sign on behalf of the Board and/or Yavapai College such documents as have been approved by the Board at a legal meeting.

## 303 Board Committees

The Yavapai College Governing Board may appoint committees to assist the Board in the fulfillment of its duties and not supplant the Board’s role.

- Board committees may be established to help the Board do its job, not to help or advise the staff. Committees ordinarily shall assist the Board by preparing policy alternatives and implications for Board deliberation. In keeping with the Board’s broader focus, Board committees shall normally not have directed dealings with current staff operations.
- Board committees shall not speak or act for the Board except when formally given such authority for specific and time-limited purposes. Expectations and authority for Board Committees shall be carefully stated in order not to conflict with authority delegated to the President.

The Board aspires to govern Yavapai College proactively. The Board shall stay adequately informed by incorporating reports from the President on strategic issues in Board meetings. The Board shall engage in strategic thinking with a style which emphasizes:

1. Outward vision rather than an internal preoccupation; however, the President will keep the Board informed of the College's work. (Refer to Board Policy 202).
2. Diversity in viewpoints;
3. Leadership focused on the future, derived from an understanding of the past and present;
4. Clear distinction of Board and Staff roles;
5. Collective rather than individual decisions; and
6. Intended long-term impacts on the communities, not on the administrative or programmatic means of attaining those effects.

The Board expects of itself, as a whole and of its individual members, ethical and professional conduct. This commitment includes proper use of authority and appropriate decorum in group and individual behavior when acting as Board members. The Board shall:

1. Enforce upon itself whatever discipline is needed to govern with excellence. Discipline will apply to matters such as abiding by Board Policy, respect of roles, abiding by the majority's decisions and adherence to ethical practices.
2. Avoid any situation that may constitute a conflict of interest or the appearance of a conflict of interest with respect to fiduciary responsibility to the College's ownership. Any question as to whether a potential conflict of interest exists shall be referred to legal counsel for the Board.
3. Not conduct private business or self-dealing or provide personal services between any Board member(s) and the organization except as allowed by law, to ensure openness, competitive opportunity, and equal access to information.
4. Not use their positions to obtain employment in the College for themselves, family members or close associates.
  - a. Should a Board member or the Board member's spouse be considered for employment by the College, the Board member must withdraw from any deliberations and voting on any matter that pertains to such employment consideration and shall have no access to applicable Board information. If a Board member or the Board member's spouse accepts employment from the College, the Board member must resign his/her Board position in accordance with AZ statute.
5. Refrain from using their Board position for personal or partisan gain, take no private or individual action that will compromise the Board or administration, and will respect the confidentiality of information that is privileged from disclosure under applicable law.

When voting on a matter under consideration that involves or appears to involve a conflict of interest, the member shall declare the conflict at the beginning of discussion on an issue and will not vote on, participate in discussion regarding, or attempt to influence votes on any matter related to the conflict. Every January or at the start of a Board member's term to assist in identifying any potential conflicts, each Board member shall complete and submit a Conflict of Interest form to be turned in to the Board attorney for presentation to the board in a public meeting. ## 307 Board Member Responsibilities and Obligations

District Governing Board members shall operate in ways mindful of the Board's civic trustee obligation to all residents of the county and its lawful obligations in compliance with Title 15, Chapter 12 Community Colleges of the Arizona Revised Statutes and all other applicable federal and state statutes and regulations.

1. Direct, control and inspire the College through the establishment of written policies that clearly define the College's values.
2. Produce written governing policies which address the broadest levels of all organizational decisions and situations.
3. Annually approve the strategic direction of the College.
4. Use the expertise of individual members to enhance the ability of the Board as a body, rather than to substitute his/her individual values for the group's values.
5. Ensure the continual development of governance capability, including periodic Board trainings and discussions of process improvement.
6. Exercise authority over the College and the President only as they operate with one voice as a whole. Individual Board members will abide by and uphold majority decisions of the Board.
7. Seek to represent the ownership as a whole rather than the people of an individual district. Therefore, Board discussions will focus on the welfare to the entire Yavapai College District.
8. Work carefully with the public to ensure use of standard College procedures for handling community complaints or grievances. When individual Board members receive complaints from members of their constituency, the following process shall be followed:
  - a. The Board member will encourage the individual(s) to contact an appropriate College staff member, and the Board member will also contact the President. The President will let the Board member know when the College processes have been followed and the complaint addressed.
9. Approve names for district real property, as recommended by the President.
10. The version of the policies most recently adopted by the Board replace and supersede all prior versions and is the only version that is binding on the College.
11. In addition to any other requirements under the Open Meeting Law for any type of communications between the Board and the College administration, Board members will comply with the following electronic communication directives to protect the Board from inadvertent violations of the Open Meeting

Law:

- a. Board members may not use electronic messages of any kind (email, text messages etc.) to communicate with another Board member or members about any matter than may foreseeably come before the Board at a future date for Board action
- b. Board members may use electronic messages to communicate with designated District Governing Board staff regarding College or Board business, including requests for factual information related to the College or Board, as long as no other Board members are copied on such message
- c. Board members may not forward electronic messages that received from College administration to any other Board member, regardless of whether the Board member forwarding the message adds a personal comment to the forwarded message or not
- d. Board members may use an electronic message to communicate a request to the Board Chairperson that a matter be placed on a future Board meeting agenda if no other Board members are copied on such messages
- e. College administration may use electronic messages to communicate with a quorum of the Board about College and Board business, including requests for factual information, as long as the messages from administration blind copy the Board members and do not communicate the opinion of any Board member regarding the subject matter(s) addressed in the message.

## 308 Board Planning & Agenda

To accomplish its job products with a governance style consistent with the Board policies, the Board shall follow an annual agenda which (a) completes a re-exploration of policies annually and (b) continually improves Board performance through Board education and enriched input and deliberation. The Board's planning shall include each year that administrative planning and budgeting can be based on accomplishing a one-year segment of the Board's most recent statement of long- term priorities. The Board shall start with the Board's development of its agenda for the next year. Community outreach shall be determined and arranged, to be held each year. Governance education and development (e.g., Board training, demographers, advocacy groups, studying internal and external publications, attending conferences etc.) shall be arranged each year and will be held during the year.

Board agendas will distinguish between items for discussion, items for decision, and items on the Board's consent agenda.

The President and any Board member who wishes to place an item on the agenda should do so the following through the Board Chair:

1. If it is the Board's issue it will be placed on the next Board agenda.
2. If it is the President's issue, the Chair will refer it to the President to be addressed in accordance with Board policy and inform any Board member concerned.
3. If the Board member feels that this process has not been followed appropriately, she/he will inform the Chair who will place the matter on the next Board agenda.

The Board shall use a consent agenda to comply with its legal and contractual obligations on matters which it has otherwise delegated to the President and to enable efficient decision making. Therefore, the consent agenda will be used to:

1. Deal with items which the Board has delegated but is required to review or receive by relevant law or contract.
2. To escalate the processing of Board decisions which the Chair believes the Board may not need further deliberation.
3. Any Board member may require any item be taken off the consent agenda and replaced as a regular agenda item for discussion and, if appropriate, possible action.

## 309 Board Secretary's Role

Unless the Chair has delegated her/his authority otherwise pursuant to the Board policy on Chair delegation, the Yavapai College District Governing Board Secretary fulfills the duty of Chair in the absence of the Chair, including chairing Board meetings and signing documents on behalf of the Board and/or Yavapai College.

The Secretary assures the accuracy of the Board documents. The Board has its own documents, so the accuracy of Board records is critical for historical purposes. The Secretary attests to the Board's adoption of policy.
