

Featured Alum

I am so grateful for the English Department at Yavapai College. I tested into Honors English and had the pleasure of having Mrs. Fisher for English 103 and 104. I enjoyed her classes so much so that I registered for her Shakespeare 101 as an elective. The skills she taught me have carried me through my career as a Registered Nurse. I wrote an outstanding proficiency highlighting the skills and projects I brought the Northern Arizona VA Healthcare System and the National VA System as a Mental Health and Behavioral Sciences RN. I am proud to say I was promoted with the first submission. - Ashley Kuhnke, Nursing graduate
