CTE Postsecondary Federal Perkins Checklist

**Yavapai College (130601001) Public Agency - FY 2019 - CTE Postsecondary Federal Perkins - Rev 2 - CTE Postsecondary Federal Perkins Checklist**

This checklist is a means of communication between the ADE and LEAs regarding the allowability and allocability of the items submitted in the funding application. Please follow the steps below to ensure that the funding application contains items that are in compliance with program requirements.

- After the LEA submits the application, the ADE will review the application and mark each section as OK, Not Applicable, or Attention Needed. If the application contains no items that are marked as Attention Needed, the application will be approved.
- If the application contains items that are marked as Needs Attention, the application will be returned to the LEA with a status of not approved. The LEA will review the checklist for items that are marked Attention Needed and make the necessary changes to those items. Only the checked items in the sections marked Attention Needed are to be corrected and/or explained. Each section marked Attention Needed also has a place where the ADE may provide notes to explain items needing attention. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA will resubmit the application for approval. If the ADE determines that the item has been corrected, Attention Needed will be changed to OK by the ADE Reviewer. If the items needing attention still have not been corrected, the application will be returned again to the LEA with a status of Not Approved.
- Applications that contain no items that are marked Attention Needed will be approved.
