

LUNCH & LEARN

When: Tuesday, November 4, 2025

Time: 11:30AM-1:00PM

Cost: \$25.00

Location: Chino Valley Police

Dept. Training Room

220 N. State Route 89, Chino Valley, AZ

Are you curious about all the talk around artificial intelligence, or “AI”? It might sound a little strange or even scary, but it’s really just a new kind of helpful technology that people can use in everyday life and business. This friendly class will clear up the confusion and show you how AI can make certain jobs easier, save time, and even help small-town businesses grow —without any robots taking over the world!
