

WINE AND DINE

in the Vines

October 22, 2022
5:00 – 8:00 pm

UNDER THE BIG TOP

Help us uncork a bright
future for our students!

As one of our country's premier learning laboratories for winemakers, The Southwest Wine Center grows Viognier, Grenache, Tempranillo, Tannat — and so much more. It also grows winemakers: the students, who learn the academic, agricultural and business skills to succeed in a blossoming industry.

By supporting the Southwest Wine Center, through our Wine & Dine in the Vines event, your sponsorship will:

- Provide scholarships to deserving viticulture and enology students
- Grow the next generation of winemakers
- Secure the operational needs of a teaching winery
- Create opportunities for students to network, advance and succeed in the wine-making industry

601 Black Hills Dr, Clarkdale AZ

Hosted by Friends of the Southwest Wine Center, an auxiliary of the Yavapai College Foundation.
