

Employee Engagement Committee Meeting Notes 2019 / 2020

Date: 6/16/20 Attendees: Julie Galgano, Karen Ramirez, Stephanie Wiltchur-Sproul, Emily Wineacker , and Jeremy Poehnert

Julie gave a candy bar update. We have 212 names and she will have the email out this week.

It was decided to ask to brainstorm with the YCSA Representatives, at the annual induction meeting, for processes that are not clearly defined. With the ideas garnered a Jot Form will be created and sent to the Representatives to rank the processes difficulty level. This should supply a list of workable items for the 20/21 Fiscal Year.

Julie will reach out to IT and see if Jeremy can have access to Jot Form. Jot Form is not under IT it's under Student Services, we will have to request access from Harley Morrison.

The committee is considering ideas to encourage YC staff to wear face coverings.

- **I was thinking about a scavenger hunt. Post an item to hunt/create on the YC Family FB page and have staff submit photos?**
