

Employee Engagement Committee Meeting Minutes 20/21

Date: 04/13/21

Attendees: Julie Galgano, Nicole Mangelsdorf, Karen Ramirez, Jeremy Poehnert and Ivonne Zuniga

Discussion on whether to host a Zoom get together. It was decided that these are not historically well attended, and it might be better to have this in conjunction with a YCSA Board Meeting. It would be more consequential to invite staff to a Board meeting, than a random event. Julie is to approach the Board with this idea.

It was determined to submit our web page redesign to Jerry Z, and see what he comes up with for design. He denied our request to meet to discuss the page layout.

With no further projects on the horizon, the committee will reconvene when the web page redesign is completed. We'll review the page and determine how to handle the maintenance of the web links.
