It takes a David Beckham to replace a Roughrider (Former Yavapai forward #21 Alan Gordon of the Los Angeles Galaxy). Other former Yavapai players in Major League Soccer include—Justin Meram (Columbus), Irving Garcia (New York), Roger Espinoza (Kansas City), Michael Randolph (Los Angeles), Joey Gjertsen (San Jose), Avery John (New England) and Cesar Delgado (Kansas City). Many former Yavapai players have played in the USL, including the league's leading goal scorer a few years back, Kevin Jeffrey (Richmond).

The 2007 Roughriders, moments after they had rallied from two deficits, forced two overtimes and won in the 7th round of penalty kicks to capture their 6th national championship in Tyler, Texas.

Trinidad & Tobago Defender Avery John (Yavapai 1994, 1995) tackles hard in the 2006 World Cup against Sweden. Goalkeeper Kelvin Jack (Yavapai 1997, 1998) also played in the 2006 World Cup in Germany. Many former Roughriders played in professional leagues around the world including Kelvin Jack and Adam Barrett (Yavapai 1998) in England's First Division. In 2009, Roger Espinoza (Honduras), joined the list (see page 30) of former Roughriders with national caps. In addition, Espinoza played in two World Cups and for Wigan Athletic F.C. in the English Premier League, capturing the F. A. Cup against Manchester United in 2013.

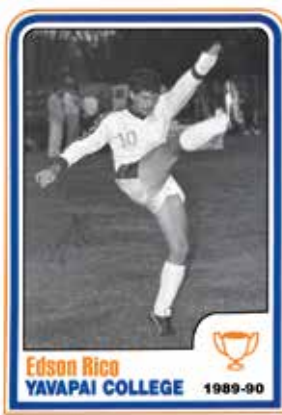

Yavapai College finished the season unbeaten and untied for their seventh national championship. With an immaculate record of 26-0-0 in the process – a win total no men's collegiate soccer team has ever achieved in one season at any level.

# Ken Lindley Field History

**Ken Lindley Field—Home of the Roughriders since 1989**

The first intercollegiate soccer match took place in 1989 when Yavapai defeated Victor Valley CC 13-0 on “guaranteed win night.” Winning streaks of 58, 56, and 39 matches are a part of this field’s legacy. Today the park is listed in the National Register of Historic Places with a seating capacity of 3000, featuring a 116 x75 yd., grass surface; soccer field located 5368 feet above sea level and was the site of the 2014 NJCAA Men’s Division One National Championships. Since 1908, the area of Prescott now known as Ken Lindley Field has been used as a public park and ball field. The land was deeded to the City of Prescott by Charles

T. and Ada M. Joslin in 1922. In 1931, during the Great Depression, the grandstand was constructed on the corner of Gurley & Washington Streets. The grandstand is constructed of cast concrete in a vernacular style with a slight Art Deco influence. In 1934, the area surrounding the field was defined for the construction of bleachers made of native stone as a Civil Works Administration project. City Park & Ballfield was renamed Ken Lindley Field in 1971 in memory of Prescott’s Chief of Police who died in 1971. A memorial plaque for long-time groundskeeper Dewey Nelson is positioned proudly in the southwest corner of the stadium.

# Mountain Valley Park History

**The Prescott Valley Amphitheater, Yavapai’s other home field, opened in 1996 for the Roughriders.**

The Prescott Valley Amphitheater at Mountain Valley Park is Yavapai’s other home soccer field that opened in 1996 for the Roughriders and during one stretch, Yavapai was undefeated and untied on this 120 x 75 yard grass field

for a 17-year period. This venue was the site of the 2014 NJCAA Men’s Division One National Championship Tournament and played host to the 2017 event as well.

all 29 Roughrider team photos, and numerous memorabilia items (soccer balls, pictures, professional jerseys from alumni, championship ring posters & much, much more) are available for viewing. Inside the locker room, players enjoy playing table soccer and watching televised. Individual tours of the locker room are available by contacting the coaching staff. The Locker Room Tours are also available to club and high school soccer teams at no charge. ## NSCAA/NISOA National Merit Award & NSCAA Bill Jeffrey Long-Term Service Award

Each year the National Soccer Coaches Association of America and the National Soccer Officials Association presents the National Merit Award to one college coach (men's or women's/two-year school or four-year school) who represents the highest standards of professional and ethical behavior toward players, coaches and officials both on and off the field. *Yavapai College Head Soccer Coach Michael Pantalione is the only junior college coach to receive this honor.*

The Bill Jeffrey Award recognizing long-term service to collegiate soccer is named for the former Penn State coach who played a major role in shaping soccer and the NSCAA. Jeffrey was the head coach of the 1950 U.S. World Cup team that defeated England, 1-0, in one of the greatest upsets in the history of soccer. Each year, the NSCAA presents this award to a person who has raised intercollegiate soccer to new heights through his or her long-term dedication to the game. *Yavapai College Head Soccer Coach Michael Pantalione is the only junior college coach to receive this prestigious honor.*

## How to Figure

**Games Played** A player receives credit for playing in a game if he steps on the field during time played.

**Goals against Average** Multiply goals allowed by 90 and divide by minutes played.

**Goalkeeper Win/Loss/Tie** A goalkeeper receives a win, tie or loss if he is on the field when either the game-winning or game-tying goal is scored.

**Plus-Minus** A player receives a "plus" if he is on the field when his team scores. He earns a "minus" if he is on the field for a goal scored by the opposing team.

**Points** The player is credited with two points for statistical purposes when scoring a goal. Players receive assists are credited with one point for statistical purposes.

**Save Percentage** Subtract goals allowed from shots on target to determine saves. Then divide saves by shots on target. A save is awarded to a goalkeeper only if a shot otherwise would have gone into the goal. A goalkeeper cannot receive credit for a save on a cross.

**Shots on Target** If a player shoots the ball with the intention of scoring and if that shot would have gone in the net had the goalkeeper not stopped it, the shot is recorded as a "shot on target." A shot hitting the framework is considered not on target.

**Wind Knocked Out** By checking to see if a player has a syndrome describing a contraction of the abdominal nerve trunk, the solar plexus, as a result of an abdominal or lower thoracic contusion.

The back four defense, led by sophomores Chris Hunter, Dirk Petersen (#11), Evan McNiel and Jeff Bendwald, were the key factor in an effort that posted 15 shutouts and not allowing more than one goal in a match throughout the 2008 season.

First Playoff Starting Lineup (Oct 27 1990): Front Row—Bell, Bilsback, DeNardis, Orona, Macias, Washington. Back Row—Cassler, Kozul, Robson, Rico, Corona.

Kobah Washington heads ball during 1990 National Championship Game against Passaic, NJ. Yavapai's "acquaintance" Alex Ivahnenko of Mercerville, New Jersey is the referee.

## The Way It Was

The more things change, the more things stay the same, at least as it pertains for the Yavapai College soccer program. The Roughriders have been consistent in its approach and the results have reflected that over the past three decades. The Roughriders have been ranked in the national poll every week since the first poll of 1990, including 80 times as the number one team in the country. Below is the 1990 NJCAA men's soccer poll prior to the national tournament. During their 1990 post-season run, Yavapai defeated Glendale (Ariz.), Hesston College (Kan.), defending champion St. Louis-Flo Valley (MO), Ulster (NY), Herkimer (NY) and Passaic (NJ) enroute to their first national championship. How the landscape has changed:

Team members are called on regularly for interviews and talk show appearances. At the conclusion of the season, the players receive an 11x14 keepsake scrapbook of newspaper articles, from the Daily Courier (Senior Sports Writer Doug Cook 928-445-3333 x2039) that exceeds 80 pages.

**A player isn't known only by the position he plays or his performance—he's known personally by many of the fans and young soccer players who look up to him.**
