

Pathways Steering Committee
September 21, 2016 – 12:00 to 1:30 pm

Attending: Scott Farnsworth, Molly Beauchman, Jodi Showler, Jennifer Kelly, Dean Holbrook, Patti Schlosberg, Joanne Oellers, Justin Brereton, Jill Fitzgerald, Barb Waak

SLOA Day:

Scott reviewed the schedule for Friday's SLOA day. In meeting with his division, classes in program areas seem to be pretty straightforward. It's adding in the General Ed courses that the conversation can go in many directions.

Dave Gorman will be going around to breakout groups to answer questions about Math classes. English Department plans to have faculty going around to breakout sessions as well.

Deadlines:

Oct. 21 – Flow charts to be completed before Curriculum workshops

Oct. 21 11 am to 1 pm and Oct. 28 1 to 3 pm – Curriculum workshops

Department contacts/Communication:

Need to determine a key person in each department for distributing the website template – website manager.

Scott asked group what is best way to communicate with all faculty in future on this topic.

Pathways Canvas site suggested.

A discussion page could be set up in Canvas that faculty could discuss/ask questions as part of process.
