

Blackberry OS 10 Setup for YC mail system

1. Press Settings on phone

2. Select Accounts

3. Select Advanced at the bottom

4. Select Microsoft Exchange ActiveSync

5. Fill in Fields as indicated in picture

6. Hit next and enjoy

A screenshot of the 'Add Account' screen in an email client. The title bar is blue with three buttons: 'Dismiss', 'Add Account', and 'Next'. Below the title bar, there are several input fields with labels: 'Description' (filled with 'YC Email'), 'Domain' (filled with 'yc.edu'), 'Username *' (filled with 'mjordan'), 'Email Address *' (filled with 'michael.jordan@yc.edu'), 'Password *' (filled with seven dots and a small @ icon on the right), 'Server Address *' (filled with 'mail.yc.edu'), and 'Port *' (filled with '443').
