

# CHOOSE YOUR UNIVERSITY

We want you to find the right program for your next step after YC. Connecting with universities is a great way to learn more about what they have to offer and how their programs will prepare you for your goals. We recommend checking out their websites, then use the following sample questions to start your conversation. Make notes on the following page.

## PROGRAMS

- Do you have a degree in \_\_\_\_\_? (*what interests you*)
- I'm interested in \_\_\_\_\_, what degree(s) will help me reach my goal?
- Where is that degree offered? (*which campus, online, etc.*)
- What is unique about this university/program?

## FUNDING OPTIONS

- What is the cost of tuition and what other expenses should I prepare for?
- Are there scholarships or other financial incentives for YC transfer students?
- Are there scholarships I might qualify for based on other factors? (*GPA, program, etc.*)
- What types of Financial Aid are available?

## ADMISSIONS

- What are the requirements for admissions to this university?
- Are there special admission requirements for the program I am interested in?
- What important deadlines do I need to know?

## PLAN YOUR PATH

- How many credits can I transfer into my program and how long will my program take once I transfer?
- What tools do you have to help plan my YC classes to make sure they transfer?
- When/how can I connect with an advisor, staff, or faculty for my program?

## UNIVERSITY SUPPORT

- How do you support transfer students? (*mentoring, orientation, advisors*)
- What are some on/off-campus living options and do you have on/off campus transportation?
- How can I learn more about extracurricular opportunities? (*clubs, athletics, study abroad, etc.*)
- How does your school assist with career development, job placement, and internships?
- What resources do you have to support student health and wellness?
- How can I set up a campus tour?
