

Choose Your University

Use the following sample questions as a guide when connecting with universities to help find the best fit

PROGRAMS

- Do you have a degree in _____? (*what interests you*)
- I'm interested in _____, what degree(s) will help me reach my goal?
- Where is that degree offered? (*which campus, online, etc.*)
- How will your program/university prepare me for my future goals compared to other universities?

FUNDING OPTIONS

- What is the cost of tuition and what other expenses should I prepare for?
- Are there scholarships or other financial incentives for YC transfer students?
- Are there scholarships I might qualify for based on other factors? (*GPA, program, etc.*)

ADMISSIONS

- Are there special admission requirements for the program I am interested in?
- What important deadlines do I need to know?

PLAN YOUR PATH

- How many credits can I transfer into my program?
- What tools do you have to help plan my YC classes to make sure they transfer?

UNIVERSITY SUPPORT

- How do you support transfer students? (*mentoring, orientation, advisors*)
- What are some on/off-campus living options and do you have on/off campus transportation?
- How can I learn more about extracurricular opportunities? (*clubs, athletics, study abroad, etc*)
- How does your school assist with career development and job placement?

What is my next step to transfer?
