

Choose a university that is right for you

SAMPLE QUESTIONS

Use the following sample questions as a guide when connecting with universities to help determine if it will be a good fit.

Programs

- Do you have a degree in _____? (what interests you)
- I'm interested in _____, what degree(s) will help me reach my goal?
- Where is that degree offered? (which campus, online, etc.)
- How will your program/university prepare me for my future goals compared to other universities?

Plan your Path

- How many credits can I transfer into my program?
- What tools do you have to help plan my YC classes to make sure they transfer?

Admissions

- Are there special admission requirements for the program I am interested in?
- What important deadlines do I need to know?

Funding Options

- What is the cost of tuition and what other expenses should I prepare for?
- Are there scholarships or other financial incentives for YC transfer students?
- Are there scholarships I might qualify for based on other factors (GPA, program, etc.)?

University Support

- How do you support transfer students? (mentoring, orientation, advisors)
- What are some on/off-campus living options and do you have on/off campus transportation?
- How can I learn more about extracurricular opportunities (clubs, athletics, study abroad, etc)?
- How does your school assist with career development and job placement?

Next Steps

- What is my next step to transfer?
