

### **Joel Kimmet, 1983-86, Administration of Justice**

---

After YC, I attended Northern AZ University in Flagstaff, AZ from 1987-89 and received a BAS Degree in Criminal Justice.

I started with the U.S. Marshals Service in Phoenix, AZ in 1990 where I worked until 2003. In 2003, I transferred with the U.S. Marshals Service to Cincinnati, Ohio where I am still employed as a Senior Inspector Deputy U.S. Marshal and District Threat Investigator within the federal court system for the Southern District of Ohio. In August, 2009, I will have 19 years employment with the U.S. Marshals Service.

I enjoyed the faculty and staff in the Administration of Justice Program. They led me in the right direction, and suggested that I attend NAU to finish my 4-year degree.

I had a great time while at YC!
