# SEVEN ARTISTS, SEVEN FRIENDS

June 22 - August 1, 2019

We are a group of seven artists, all friends, with seven different styles, visions, and voices. We are painters, sculptors, mixed media and installation artists with great respect for each other and a love of the creative spirit. Although our work ranges from figurative to impressionistic to total abstraction, our common bond is forged during a weekly artist lunch where we share ideas about art, life, books, and other interesting topics. Experience the diversity of our styles and mediums in our first group exhibit.
