Yavapai COLLEGE

AAS Waiver Process

AAS programs may seek a waiver to remove 3 of the 6 credits from the "Arts and Humanities and/ or Social & Behavioral Science" category of the general education block for the AAS. ***This waiver must be approved prior to submitting a new or modified program proposal and must be considered in relation to a program change.***

Submit this waiver to the Curriculum Chair and Curriculum Coordinator. This form will follow the determined process for curriculum at the college and the curriculum committee will provide a recommendation to the Vice President of Instruction.

Reasons for a waiver include the following. All requests should provide explanation and documentation:

☐ Outside accreditation demands

☐ Program would have more than 64 credit hours and reducing credits hours would impact the employability of graduates (please include program progression plan)

☐ Other
