#### Yavapai College

District Governing Board Regular Meeting

Tuesday, May 17, 2022 Immediately following adjournment of Budget Adoption Meeting (estimated time 1:30 p.m.)

#### Prescott Campus Community Room # 19-147 1100 E. Sheldon Drive Prescott, Az. 86301

Pursuant to Arizona Revised Statutes (A.R.S.) §38-431.02, notice is hereby given to the members of the Yavapai College District Governing Board and to the general public that the Board will hold a public meeting, open to the public as specified below. The Board reserves the right to change the order of items on the agenda. One or more members of the Board may participate in the meeting by telephonic communication.

Pursuant to A.R.S. §38-431.03.A.2, A.3 and A.4, the Board may vote to go into Executive Session, which will not be open to the public, for legal advice concerning any item on the agenda to review, discuss and consider records exempt by law from public inspection, including the receipt and discussion of information or testimony that is specifically required to be maintained as confidential by state or federal law; or to consult with and instruct its attorneys regarding its position on contracts, litigation or settlement discussions. If indicated in the agenda, the Board may also vote to go into executive session, which will not be open to the public, to discuss specific agenda items.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter or closed caption, by contacting the Executive Assistant at (928)776-2307. Requests should be made as early as possible to allow time to arrange the accommodation.

Please note that meeting conclusion time is included for planning purposes only and does not necessarily reflect the actual time of the agenda item. When regular board meetings, public hearings (both truth in taxation and budget adoption public hearings) and budget adoption special meetings are scheduled for the same date, each hearing or meeting will begin immediately upon adjournment of the preceding hearing or meeting.

## Ycfa A Special Thank You

### Philip Reid, YC FA Interim Treasurer Yavapai College Foundation

#### Selina Bliss

Dr. Selina Bliss, Nursing Professor, started as adjunct faculty in the 1980s, became full-time faculty in 1989, then retired in 2021. Between the Prescott and Verde Campuses, worked with over 1,000 nursing graduates during her career to assist others to reach their professional goals and serve their communities through healthcare careers. Firmly believed excellence in education leads to excellence in student achievement and led by personal example. Service that exceeds the expected standards included numerous projects and awards for contributing to the furthering of education, certification, and professionalism in nursing.

#### LeAnne Lawhead

LeAnne began as an adjunct in the Early Childhood/Education program at Yavapai College in 2002. LeAnne became a full-time faculty member in 2006 and served until September of 2020. It was LeAnne's great honor to serve the Yavapai County region by preparing teachers and caregivers of young children and to design and implement programs that serve our youngest children (including our own amazing FEC). LeAnne collaborated with county agencies to implement scholarship programs for YC students, literacy programs across our region, served as host for an annual ECE conference on the Verde Campus each spring. and began the Early Childhood Institute (ELI @ Yavapai) that is now offered each October on the Prescott Campus. In addition to instructional and college duties, LeAnne presented at several national and state conferences, served on state early childhood boards, and acted as faculty advisor to a very active student organization for early childhood students and community. LeAnne is currently serving as adjunct flute professor in Yavapai College's music department.

#### Jeri Hamilton

Jeri Hamilton was born and raised in Prescott. She received her Bachelor's and Master's degrees from Northern Arizona University. After teaching Math at Prescott High School for 18 years, she began the next phase of her career as a Math Professor at Yavapai College. After retiring from Yavapai College, Jeri continues to teach Mathematics at Embry-Riddle Aeronautical University.

Jeri and her husband, Doug, have two daughters and three grandchildren. Besides being a "Meemaw," Jeri enjoys gardening, spending time with friends and most recently, traveling.

### FY23 Congressionally Directed Spending

United States Senate

## What is a Congressionally Directed Spending (CDS) Request?

- Line-item spending included in the annual federal appropriations (budget) bills.
- Short-term, place-based federal funding outside of the normal federal grant funding opportunities.
- Recommended by individual Members of Congress to the Appropriations Committee, which then chooses final requests to be included in annual federal spending bills.
- Subject to strict disclosure and oversight guidelines

### What makes a good CDS request?

- Supported by Local, State, Tribal Government
- Place-Based: Specific location or project
- **Short-term:** Projects that can be supported with a one-time infusion of funds
- Shovel-Ready: Pre-planned, ready to begin work upon receipt of funding.

### **Examples of FY22 CDS Requests**

Army Corps of Engineers – Lower Santa Cruz River Study at Eloy \$100,000

The proposed project is to continue the Lower Santa Cruz River Feasibility Study with a focus on the Eloy Levee/Channel project, which is designed to mitigate Santa Cruz River flooding for the community of Eloy, Arizona.

• **Pima Community College – FIT Lab** \$1,000,000

This will provide the equipment needed for the Flexible Industry Training (FIT) Lab at Pima County College's new Center of Excellence in Applied Technology, ranging from 3D scanners and printers to foundry and casting equipment. This center will partner with industry to train and upskill employees with the skills to meet the needs of the labor market and get good-paying jobs.

#### • City of Tucson – Willard Apartments \$800,000

• This will allow for the complete remodel, including asbestos abatement, of much needed affordable housing units.

### YC Projects (Invited to participate)

#### • Proposal to fund our: Career Services Center (\$1.1 million est.)

- Open to all Yavapai County Residents
- Prepares people for the skills to become employable
  - Resume writing, cover letters,
  - Interview techniques and soft skills
  - Help connect residents to YC Pipeline
  - Host recruitment events-connecting employers with prospect employees
- Expanding our CDL Program (\$600,000 est.)
  - Equipment/Vehicles in both Camp Verde & Chino

### What are the rules?

- No more than 1% of discretionary spending can be spent on CDS items. Funding is divided between House and Senate, Republicans and Democrats.
- For-profit entities are not eligible.
- Each Senator must **disclose their requests** on their website 15 days after submission.

### What are the rules?

- The Government Accountability Office will audit a sample of enacted congressionally directed spending items.
- Only certain accounts and programs are eligible for congressionally directed spending items, and subject to existing grantmaking rules.
- Projects in which a Senator, or their family, has a financial interest will not be considered.

### What is the process?

#### 1. Submit a request to a Member of Congress

- Senator Kelly: <u>kelly.senate.gov/fy23</u>
- Senator Sinema: <a href="mailto:sinema.senate.gov/appropriations">sinema.senate.gov/appropriations</a>
- Deadline: April 6, 2022

2. Members submit requests to the Appropriations Committee (late April)

- Each Senator submits between \$50 \$75 million in requests.
- Senators Sinema and Kelly coordinate with each other, and House offices to maximize funding requests

### What is the process

#### 3. Appropriations Committee Reviews Projects (May/June)

• Committee staff evaluate requests based on program eligibility, available funding, and project readiness

#### 4. Legislation marked up by Appropriations Committee (June/July)

- Draft legislation is considered and passed by committee, will include a list of congressionally directed spending projects.
- No projects can be added after a bill is passed by Committee.

#### 5. Senate / House Passage (August/September)

· House and Senate each pass their draft appropriations bill

## What is the process?

#### 6. House / Senate Reconcile Differences (Fall 2022)

• Committee staff combine congressionally directed spending requests in House and Senate. Duplicate requests are removed.

#### 7. Final Debate and Passage (TBD)

 Senate rules allow any Congressionally Directed Spending project to be removed from the final bill via a "point of order" and majority vote.

#### 8. Enactment (est. November 2022 – January 2023)

- Bill is signed into law.
- Agencies make funding available through Grants.gov

### **Timeline** (Tentative)

- **Deadline to Submit:** April 6, 2022
- Funding Submissions to Committee: April/May 2022
- Public Disclosure of request: May 2022
- Committee Funding Decisions Made: August 2022
- Budget Passed/Funding Available: Late 2022, early 2023

#### Yavapai College Budget to Actual Status by Fund March 2022

The President's Monthly report below provides a brief financial status of each of the District's five funds as of March 31, 2022.

Source: Monthly Revenue and Expenditure Financial Reports

General Fund

As of March 31, 2022, the General Fund has a surplus of \$4,580,900. This is primarily the result of tuition and fee revenues being recorded for the spring 2022 semester, the one-time Rural Community College appropriation, unspent contingencies and vacancy savings.

For the fiscal year ended June 30, 2022, General Fund revenues are projected to be over budget by \$740,000 and expenditures are projected to be under budget by \$653,200 resulting in a net surplus of \$1,393,200.

Auxiliary Fund

As of March 31, 2022, the Auxiliary Fund has a surplus mainly due to the collection of the spring 2022 semester room revenues, which will even out over the next several months, stronger than projected winery sales, and better than projected food service results. For the fiscal year ended June 30, 2022, the Auxiliary Fund is projected to be within budget.

#### Unexpended Plant Fund

As of March 31, 2022, the Unexpended Plant Fund has a deficit of \$448,400 due to Preventative Maintenance and Capital Improvement Projects (CIP) being encumbered for the remaining fiscal year. Supporting revenues received over the remaining fiscal year will be used to cover this deficit.

#### Restricted Fund

The Restricted Fund, which accounts for federal, state and private monies, includes expenditures that are restricted to the amount of grants or gifts received and which do not exceed the grant award or gift received. Restricted Funds are primarily driven by federal financial aid which will fluctuate depending on the financial needs of our students. As of March 31, 2022, the Restricted Fund has a surplus and is expected to be under budget for the fiscal year.

Debt Service Fund

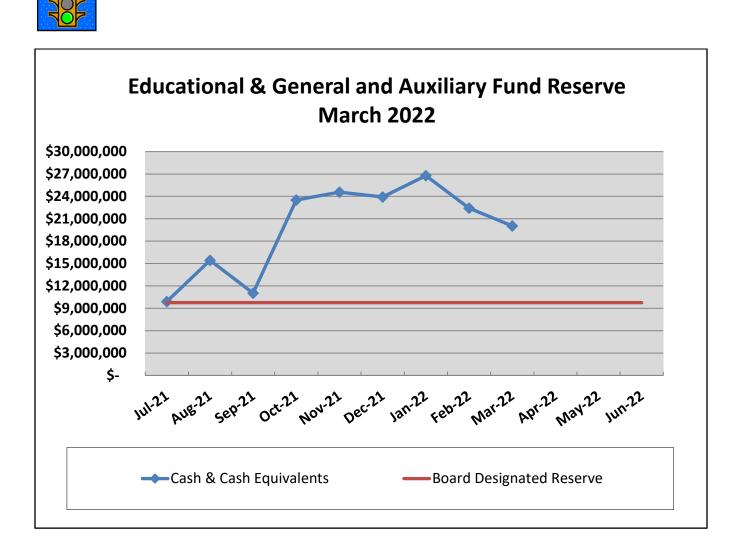

The Debt Service Fund accounts for the monies used to pay the interest and principal on the District's long-term bonds. College debt is at fixed rates of interest—as of March 31, 2022, there were no variances from budget.

#### Yavapai College Cash Reserves March 2022

The President's monthly report on cash reserves below displays the District's reserves at March 31, 2022, in relation to the District Governing Board's (DGB) reserve requirements.

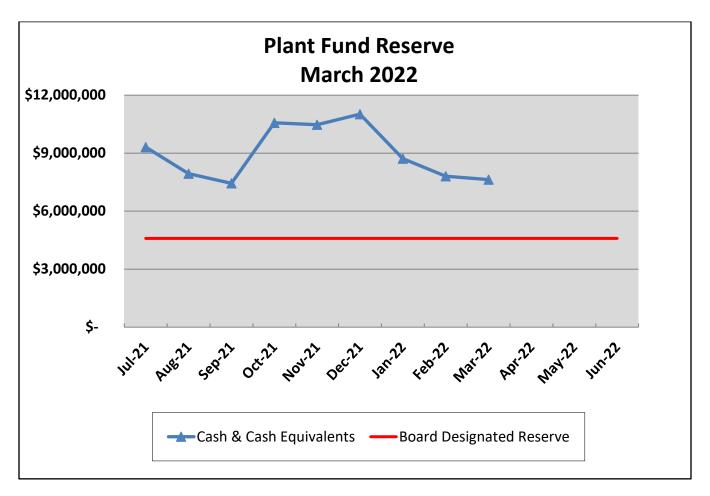

Source: Banner Finance

Current Fund Reserves shall not drop below seventeen percent (17%) of the operating budgets.

As of March 31, 2022, Current Fund reserves have exceeded the DGB's reserve requirements.

Plant Fund Reserves shall not drop below eight percent (8%) of the operating budgets.

As of March 31, 2022, Plant Fund reserves have exceeded the DGB's designated reserve.

03 - New Programs Only - Academic Program Planning & Concept Authorization - 2023-24

#### Description

To ensure that new academic programs implemented by Yavapai College are of the highest quality and are aligned with the District Governing Board's and College's strategic plans, the following criteria and process for new academic program authorization must be approved prior to submitting a new program proposal.

#### Prior to starting this proposal;

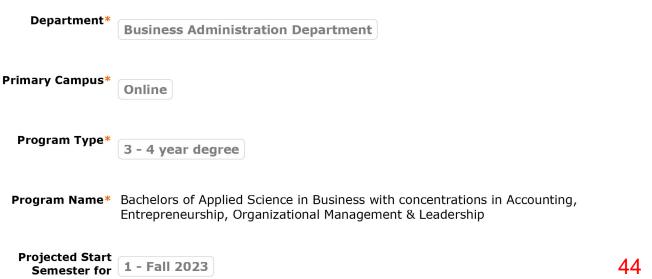

1. Contact Tom Hughes in Institutional Effectiveness and Research and request an Occupational overview for this proposed program. You will need to attach the document(s) he provides to this proposal at the time of submission.

Instructions

Turn on help text before starting this proposal by clicking 🙂 in the top right corner of the heading. Complete Steps 1-5 below.

Questions? Make an appointment with the Curriculum Office.

#### Step 1: Proposed program information

Program Description\* The Bachelors of Science in Business program trains individuals to assume management or supervisory positions in business, industry, and government. It provides basic skills in a broad range of business functions including accounting, computer usage, leadership, management and marketing. Students in the Business Administration program will be able to make transitions from an associates degree program to upper-level BAS degree programs. There are three additional track options offered to choose from: Accounting, Entrepreneurship, and Organizational Management & Leadership.

How does the The college mission statement has a vision of providing our community accessible workforce program relate to the training. The goals of the mission are to provide the education and training necessary to College mission?\* compete in the global job market and to provide the leadership and skills necessary to promote economic development. By offering a Bachelors of Applied Science degree the program is focusing heavier on workplace skills to prepare our students for living wage jobs within our community. By offering concentrations in Organizational Management & Leadership and Entrepreneurship our program is preparing our students to open their own business or assume a leadership role in their current organization. By offering a concentration in Accounting, we are providing a workforce in an area our community shows great need.

programs and strategic initiatives?\*

How does the This model supports our existing associates degrees and communities. Our academic areas program relate to serve our communities with quality associates degrees. Each of our campuses and centers existing College have robust and specific associate degree programs that serve the particular needs of each community. By creating a Bachelors in Applied Science degree that is a 2 + 2 model, our program can support all of our campuses and centers by accepting their associates degrees into our BAS, and adding the upper division classes students need to move into a business, supervisory role or accounting role within their own community and using their current associates degree.

Will this proposed ( Yes program have any compliance requirements with other agencies such as state education or licensing agencies, and where applicable, program accreditors?\*

that would need to be taken if this program concept is approved. Note: Any approvals by these agencies are required prior to this being sent to HLC for review. No

If yes, please This program will need to go through the approval process for the Higher Learning summarize the steps Commission and our Arizona Department of Education.

**Is there competition** OYes in the county for similar programs?\*

No

If yes, is there a demand for this program or a gap that YC will be fulfilling that currently exists? Please explain.	
Is this program required for entry- level positions in this field?*	🔵 Yes 💿 No
What is the projected enrollment for this program over its first three years?*	100 unduplicated full-time students.
Based on the data provided by IER and attached to this proposal, please summarize how the data supports this proposal. Provide specific details.*	Tom Hughes is providing this information.
Does the data provide any concerns about the success of this program in Yavapai County?*	Yes No
Please explain.*	We collected data from several sources before moving the BAS in Business Administration forward.
Are there plans to offer all or a portion of this program to students online?*	All None • A portion
Will courses be offered in 8-week or 16-week scheduling blocks?*	8-week I6-week Combination
Select the tuition level:*	05 - 4 year degree

College resources required. Explain in detail what will be needed.

**Personnel** We currently have faculty program directors for Business and Management. We need to hire **(Faculty/Staff):** a faculty position in Accounting. We will eventually need to add additional adjunct faculty to our staff and additional adjunct faculty stipend budget. We also need the following full-time employees:

1--Instructional Support Specialist

2--Career Navigator--Since our model is a 2 + 2, all of our students will be transferring in their associates degrees. The career navigator helps students complete a smooth transfer. This person also works with the business community to set up mentorships, internships and apprenticeship opportunities which is an important aspect of our BAS program. Our program will be following an experiential model so students are receiving real world experience and our businesses/organizations are receiving a quality workforce.

Capital (space modification, furniture, equipment
 writing lab back into office space. It has not been used as a writing lab once it moved online for COVID. The writing lab has not returned in person.

We are requesting additional course design resources for our current Learning Management System so our classes in the BAS are professional and uniform. We are pricing 3rd party templates at about 10,000 non reoccurring budget. We are also exploring a more systemic upgrade at about \$8,000 per year reoccurring funding. We are currently working with Thatcher and Patrick on this pricing.

Other Resources<br/>(Examples: supplies,<br/>marketing, library<br/>database or<br/>materials, additional<br/>advisor support,<br/>internship/service<br/>opportunities and/or<br/>community sites,<br/>additional support for<br/>tutoring, etc.):We need a marketing budget: \$15,000 first year for countywide awareness of new program<br/>[placed in marketing budget]. \$5000 per year for additional years [placed in marketing<br/>budget].<br/>No new library resources as our current databases suffice.<br/>We need a budget for guest speakers: \$10,000 per year.<br/>We need additional tutors for accounting and possibly a designated embedded tutor. I<br/>believe there is embedded tutor money available already.

## Bachelor of Applied Science (BAS) In Business

Acceptance into the Yavapai College's BAS program is contingent on the successful completion of an AA, AS, ABUS, AGS, or AAS degree from an institutionally accredited college. The total credits for the BAS degree is 120 (75 lower division and 45 upper division).

#### **Program Planning Tool: Progression Plan**

#### Instructions:

This form is intended for new program planning only.

The purpose is to convey a tentative plan of how the new program will be laid out, including how many classes are being planned for the new program, as well as how long the new program may take students to complete. This allows everyone in the program planning workflow to understand the direction of the program, and the resources that may be required.

It is understood that this progression plan is tentative, and may be adjusted slightly as the curriculum is being developed in the later stages of the process. An official progression plan will be completed after the concept has been approved, at the time that the New Program Proposal is submitted.

· Complete the form as thoroughly as possible.

 Once submitted, download the PDF and attach it to the Curriculog proposal "New Programs Only - Academic Program Planning & Concept Authorization" proposal as indicated in the proposal steps.

#### **Program Planning Tool: Progression Plan**

#### Instructions:

This form is intended for new program planning only.

The purpose is to convey a tentative plan of how the new program will be laid out, including how many classes are being planned for the new program, as well as how long the new program may take students to complete. This allows everyone in the program planning workflow to understand the direction of the program, and the resources that may be required.

It is understood that this progression plan is tentative, and may be adjusted slightly as the curriculum is being developed in the later stages of the process. An official progression plan will be completed after the concept has been approved, at the time that the New Program Proposal is submitted.

- · Complete the form as thoroughly as possible.
- Once submitted, download the PDF and attach it to the Curriculog proposal "New Programs Only Academic Program Planning & Concept Authorization" proposal as indicated in the proposal steps.

#### Program Planning Tool: Curriculum Map

#### Program Name: BAS in Business Administration - Accounting Concentration (in addition to AAS in Accounting outcomes)

Purpose: This form is intended to assist in planning for a new program, and is an abbreviated version of the Curriculum Map. This form will assist by:

Outlining the concept to attach to the Academic Program Planning & Concept Authorization proposal in Curriculog.

• Mapping courses to the proposed program outcomes so it is known exactly which courses are needed.

• Displaying the proposals to be completed in Curriculog based on whether a course is new (Permanent Course Proposal), modified (Modified Course Proposal), or existing (No proposal needed).

# Appendix B - Data Sources and Calculations

#### **Location Quotient**

Location quotient (LQ) is a way of quantifying how concentrated a particular industry, cluster, occupation, or demographic group is in a region as compared to the nation. It can reveal what makes a particular region unique in comparison to the national average.

#### **Occupation Data**

Emsi occupation employment data are based on final Emsi industry data and final Emsi staffing patterns. Wage estimates are based on Occupational Employment Statistics (QCEW and Non-QCEW Employees classes of worker) and the American Community Survey (Self-Employed and Extended Proprietors). Occupational wage estimates are also affected by county-level Emsi earnings by industry.

#### **Staffing Patterns Data**

The staffing pattern data in this report are compiled from several sources using a specialized process. For QCEW and Non-QCEW Employees classes of worker, sources include Occupational Employment Statistics, the National Industry-Occupation Employment Matrix, and the American Community Survey. For the Self-Employed and Extended Proprietors classes of worker, the primary source is the American Community Survey, with a small amount of information from Occupational Employment Statistics.

#### **Cost of Living Data**

Emsi's cost of living data is based on the Cost of Living Index published by the Council for Community and Economic Research (C2ER).

#### **Emsi Job Postings**

Job postings are collected from various sources and processed/enriched to provide information such as standardized company name, occupation, skills, and geography.

#### **Institution Data**

The institution data in this report is taken directly from the national IPEDS database published by the U.S. Department of Education's National Center for Education Statistics.

# Appendix B - Data Sources and Calculations

#### **Location Quotient**

Location quotient (LQ) is a way of quantifying how concentrated a particular industry, cluster, occupation, or demographic group is in a region as compared to the nation. It can reveal what makes a particular region unique in comparison to the national average.

#### **Occupation Data**

Emsi occupation employment data are based on final Emsi industry data and final Emsi staffing patterns. Wage estimates are based on Occupational Employment Statistics (QCEW and Non-QCEW Employees classes of worker) and the American Community Survey (Self-Employed and Extended Proprietors). Occupational wage estimates are also affected by county-level Emsi earnings by industry.

#### **Staffing Patterns Data**

The staffing pattern data in this report are compiled from several sources using a specialized process. For QCEW and Non-QCEW Employees classes of worker, sources include Occupational Employment Statistics, the National Industry-Occupation Employment Matrix, and the American Community Survey. For the Self-Employed and Extended Proprietors classes of worker, the primary source is the American Community Survey, with a small amount of information from Occupational Employment Statistics.

#### **Cost of Living Data**

Emsi's cost of living data is based on the Cost of Living Index published by the Council for Community and Economic Research (C2ER).

#### **Emsi Job Postings**

Job postings are collected from various sources and processed/enriched to provide information such as standardized company name, occupation, skills, and geography.

#### **Institution Data**

The institution data in this report is taken directly from the national IPEDS database published by the U.S. Department of Education's National Center for Education Statistics.

# Bachelor of Science In Nursing (BSN)

Acceptance into Yavapai College's BSN program is contingent upon the successful completion of an AAS degree in Nursing from an institutionally accredited college. The total credits for the BSN degree is 120 (21.5 general education, 68.5 pre-requisite requirements for the program, and 30 major classes).

#### **Program Planning Tool: Progression Plan**

#### Instructions:

This form is intended for new program planning only.

The purpose is to convey a tentative plan of how the new program will be laid out, including how many classes are being planned for the new program, as well as how long the new program may take students to complete. This allows everyone in the program planning workflow to understand the direction of the program, and the resources that may be required.

It is understood that this progression plan is tentative, and may be adjusted slightly as the curriculum is being developed in the later stages of the process. An official progression plan will be completed after the concept has been approved, at the time that the New Program Proposal is submitted.

Complete the form as thoroughly as possible.
Once submitted, download the PDF and attach it to the Curriculog proposal "New Programs Only - Academic Program Planning & Concept Authorization" proposal as indicated in the proposal steps.

# What is Emsi Data?

Emsi data is a hybrid dataset derived from official government sources such as the US Census Bureau, Bureau of Economic Analysis, and Bureau of Labor Statistics. Leveraging the unique strengths of each source, our data modeling team creates an authoritative dataset that captures more than 99% of all workers in the United States. This core offering is then enriched with data from online social profiles, resumés, and job postings to give you a complete view of the workforce.

Emsi data is frequently cited in major publications such as *The Atlantic*, *Forbes*, *Harvard Business Review*, *The New York Times*, *The Wall Street Journal*, and *USA Today*.

# What is Emsi Data?

Emsi data is a hybrid dataset derived from official government sources such as the US Census Bureau, Bureau of Economic Analysis, and Bureau of Labor Statistics. Leveraging the unique strengths of each source, our data modeling team creates an authoritative dataset that captures more than 99% of all workers in the United States. This core offering is then enriched with data from online social profiles, resumés, and job postings to give you a complete view of the workforce.

Emsi data is frequently cited in major publications such as The Atlantic, Forbes, Harvard Business Review, The New York Times, The Wall Street Journal, and USA Today.

## **Opal Allen Naming Rationale**

When the story is told, by the ones who were there, about the founding of Yavapai College; the first name out of everyone's mouth – to a person – is Opal Allen.

In the book commemorating the College's 50<sup>th</sup> anniversary, hers is the first name in print at the start of the historical timeline. As PTA district board president in 1965, she was looking for an educational project that would benefit the community. She initially got the idea for a junior college from her brother-in-law, Dr. Richard A. Parry.

From there, she was off to the races and became the driving force behind formation of the steering committee as well as a campaign within the community to pass a ballot measure to form a county-wide college district. The Courier used the term "ramrod" for her untiring efforts. From inception of the idea to inaugural meeting of the Yavapai College Board: One year.

This was the work of Opal Allen.

And the work continued. Later campaigning for the necessary funding among county voters and playing a key role in the formation of the Yavapai College Foundation. She was dubbed "The Mother of Yavapai College" by former college president Dr. Joe Russo. This moniker was so important to her, and so integral to the story of her life and the life of our community, that it was etched into her headstone at the Arizona Pioneers Cemetery.

Opal never went to college. She *was* awarded an honorary degree from Yavapai College in 2000, along with former District Governing Board member Charles "Chuck" Mabery. This was meaningful to her and members of her family, of course, but it's interesting to note that while Opal's name is first in the story of the founding of Yavapai College, her name is nowhere to be found at the six campuses and centers we now have across this county.

Most of the men involved in the early formation of the college have been commemorated with named buildings and prominent spaces on our campuses – including Opal's own brother, Boyd, who served as an Arizona State Senator for nearly 20 years; honored with naming of the Boyd Tenney Library on the Prescott Campus in 2005. Even among family members, it's understood that the longevity and intensity of Opal's dedication to Yavapai College reasonably eclipsed Boyd's.

Of course, there is more to Opal than Yavapai College. She was mother of eight, and grandmother of 45. She served as a Republican Party Precinct Committeeperson for 65 years, served in all local levels of the Parent-Teacher Association, including Arizona State PTA President. She was active in all manner of community affairs, and in her church – serving in teaching and leadership positions.

We come to you today to try and put right something that the Daily Courier was trying to call attention to nearly 30 years ago when the school celebrated it's 25<sup>th</sup> anniversary. To quote an article published in November of 1993: "Although she was one of the college's founders, she has yet to receive the recognition she deserves. Recently, she was not even invited to the College's investiture, which brought back founding [board] members, faculty, and students ... Hopefully this article will be the beginning of recognition that is long overdue."

If recognition of Opal was overdue in 1993, what can we even call it now?

The President of Yavapai College, Dr. Lisa Rhine, with the support of the Yavapai College Foundation propose naming the entrance hall of Building 19, The Opal Tenney Goodman Allen Founder's Foyer. Building 19, which houses the Library named for her brother, is one of the most publicly-accessed spaces on any of our campuses, and we can't think of a better place to welcome students, visitors, and all manner of community members to Yavapai College with the name and story of Opal Allen.

#### COMMENTS:

Third quarter State Aid was received in January 2022.

Most of the Primary Property Taxes - Contingency will not be used because the State covered substantially all of the Transwestern property tax claim refund.

Tuition and Fees revenues above budget due to most of the revenue related to the spring 2022 semester being recorded. This will even out over the next few months.

Institutional Support expenditures above budget due to the payment and or encumbering of various expenses at the beginning of the fiscal year (e.g. insurance, software licensese, IT maintenance, dues, etc.).

Scholarships over budget and increased from the prior year due to the one class free intiative for the fall 2021 semester. Federal HEERF monies that were transferred to the General Fund covered this initiative.

Public Service increased from the prior year due to the current REDC expansion/intiative, as budgeted.

The Budget currently has a surplus of \$4,580,873.

Note 1: Expenditures reported on the modified accrual basis of accounting.

## Fiscal Year 2021-2022

- **1** Salaries increased due to annual raises, less vacancies and personnel added to the REDC as budgeted.
- **2** Supplies increased from the prior year due to the post COVID-19 re-opening; mainly in instructional supplies, computer/phone/tech and food.
- **3** Contractual Services and Other increased from the prior year due higher software maintenance costs and more advertising, consulting and professional services.
- **4** Utilities & Communications increased from the prior year due to the post COVID-19 re-opening and higher utilization.
- **5** Travel, Conferences & Memberships increased from the prior year as a result of increased travel, both in-state and out-of-state, due to the post COVID-19 re-opening.
- **6** Scholarships increased due to the one-class free initiative done for the fall 2021 semester.

#### **COMMENTS:**

The Budget currently has a deficit of (\$448,412) as a result of the remaining Capital Improvement and Preventative Maintenance projects encumbered for the fiscal year. The \$2.2M PV land purchase, approved by the DGB, exceeded the amount budgeted. Fund balance maintained in the capital accumulation account was used to cover this overage.

## **Emergency Medical Technician - Basic Certificate**

The Emergency Medical Technician - Basic certificate provides fundamental knowledge and emergency medical procedures and techniques. Yavapai College offers students entry-level emergency response training with its EMT-Basic program. It prepares the student to become an EMT through relevant coursework and extensive hands-on practical training, clinical work, and instructors who have years of experience and know what is needed to succeed. Successful completion of this program will prepare the students for the required Arizona and National Registry EMT exams. Our EMT students have excellent pass rates on the National Registry Exam.

Accreditation: This program is approved by the Arizona Department of Health Services, Bureau of Emergency Medical Services toward certification as an EMT in the both the state of Arizona and in the USA.

### Credit Hours Required: 16

## <sup>3</sup>Program Requirements

AHS 130 Medical Terminology for Patient Care Staff EMS 142 Emergency Medical Technician EMS 142L EMS 142L Emergency Medical Technician Lab EMS 143 Emergency Medical Technician Practicum

## Program Goals and Objectives

The goal of the EMT programs at Yavapai College is to prepare the student as a competent entry-level EMT.

The three main objectives to reach this goal are as follows:

-Upon completion of the program, the student will demonstrate the ability to comprehend, apply, analyze, and evaluate information relevant to his or her role as an entry-level EMT. -Upon completion of the program, the student will demonstrate technical proficiency in all the skills necessary to fulfill the role of an entry-level EMT.

-Upon completion of the program, the student will demonstrate personal behavior consistent with professional employer expectations for the entry-level EMT.

These goals and objectives meet with standards from the Arizona Department of Health Services, Bureau of Emergency Medical Services, United States Department of Transportation National Emergency Medical Services Education Standards, and the Essentials and Guidelines from the Committee on Accreditation of Emergency Medical Services Programs (CoAEMSP).

# <sup>∛</sup>Program Outcomes

Upon successful completion of the Emergency Medical Technician Certificate program, the learner will be able to:

1 Perform one and two person cardiopulmonary resuscitation (CPR) for the adult, child and infant patient according to the latest American Heart Association, Basic Life Support for Healthcare Provider standards.

2. Manage scene safety including personal protective equipment in the workplace.

3. Determine priorities of care.

4. Define the role, scope of practice, legal and ethical responsibilities of an EMT.

5. Assess, manage, and stabilize patients of all ages suffering airway obstructions, respiratory arrest and cardiac arrest with the use of CPR, automated external defibrillator, ventilatory assistance and oxygen.

6. Assess, manage, and stabilize patients of all ages with medical emergencies and emergency childbirth.

7. Assess, manage, and stabilize patients of all ages suffering bleeding, shock, soft tissue injuries, burns, fractures, nervous system injuries, head, chest and abdominal injuries.

8. Prepare the patient for transport to an appropriate medical facility with a minimum of aggravation to the patient's illness or injury.

9. Prepare a comprehensive patient care report for each patient assessed in the hospital clinical setting.

## **Emergency Medical Technician Certificate**

The Emergency Medical Technician certificate (EMS 132) provides fundamental knowledge about emergency medical procedures and techniques. These include artificial respiration, cardio-pulmonary resuscitation, control of bleeding, splinting, extrication and light rescue, and ten hours of hospital training and observation to give Emergency Medical Technicians improved clinical knowledge of the profession. Successful completion of EMS 132, with a grade of "C" or better, qualifies the student to take the National Registry of EMT Certification examination for EMT.

## Service Dog Certificate

The Service Dog Program offers advanced canine handling skills needed for service dogs. It provides basic canine health care and focus on public interactions and laws for service dogs. It includes specific service task training so dogs are able to fulfill service responsibilities and specialized tasks for the handler or designated recipient. It includes extensive public access skills so dogs are able to handle the stress of public environments while still performing needed tasks. Students pursuing the Service Dog Certificate are expected to work with one designated canine throughout the program. American with Disabilities Act states that only a person with a recognized medical disability may have a Service Dog.

## Communication plan:

Students will receive the letter below via email which includes the teach out plan which will end Summer of 2023.

Chino Valley Center staff will contact active students informing them of the sunset and teach out plan and encourage them to complete.

Student affairs and the CTE advisor will be notified of the changes.

## "Dean Canine Student,

The college is sunsetting all canine programs: Therapy & Service Dog Team Skills, Canine Care & Handling, and Service Dog. However, active students will be given the opportunity to complete their certificates through a teach out program over the course of the next year. https://www.yc.edu/v6/lifelong-learning/community-education/

No new declarations of any of the three canine certificates as a program of study will be permitted.

The classes will be offered as non-credit, meaning they are not financial aid eligible, but the classes can be converted to credit for the purpose of certificate completion during the 2022/2023 academic year.

Date:May 3, 2022To:Dr. Lisa RhineFrom:Dr. Diane RyanRE:Curriculum Proposals

The following curriculum proposals have been reviewed by the appropriate faculty, deans, and the Curriculum Committee. I recommend the addition of an Emergency Medical Technician - Basic Certificate along with the deletion of the current Emergency Medical Technician Certificate. I also recommend deleting the canine programs: the Canine Care and Handling, the Service Dog, and the Therapy and Service Dog Team Skills Certificates.

# Overview of the deletion of the existing Emergency Medical Technician Certificate and the addition of the Emergency Medical Technician - Basic Certificate

The Emergency Medical Technician Certificate is being replaced by a new Emergency Medical Technician – Basic Certificate. The original certificate consists of one 10 credit-hour course (EMS 132). The new certificate consists of four courses. Three of these result from the separation of EMS 132 into three distinct courses: a lecture, a lab, and a clinical practicum. The fourth is the addition of a course in medical terminology, a value to this program and a part of other health-related pathways at the College.

The current certificate is not open to or available for federal financial aid. At 16 credit hours, the newly designed certificate becomes eligible for this financial aid, providing an accessible career program that allows for equity to under-privileged demographic groups.

Due to these changes to the program, our HLC Liaison recommended that we delete the current program and add a new one instead of submitting a program modification.

### **Overview of Canine Program Deletions**

The canine certificates: Canine Care and Handling, Service Dog, Therapy, and Service Dog Team Skills are being deleted due to low enrollment. No new declarations of any of the three canine certificates will be permitted as a program of study. Active students will be given the opportunity to complete their certificates over the next year through a teach-out program through Community Education. The classes will be offered as non-credit and can be converted to credit for certificate completion during the 2022-2023 academic year.

As an additional note, these classes should all continue to be offered through the non-credit platform.

## INTERGOVERNMENTAL AGREEMENT USE OF SEDONA PERFROMING ARTS CENTER

## SEDONA OAK CREEK UNIFIED SCHOOL DISTRICT AND YAVAPAI COUNTY COMMUNITY COLLEGE DISTRICT

THIS INTERGOVERNMENTAL AGREEMENT (IGA), entered into upon date of final signature, is by and between the SEDONA OAK CREEK SCHOOL DISTRICT, a municipal corporation of Arizona, hereinafter the "District", and YAVAPAI COUNTY COMMUNITY COLLEGE DISTRICT, a community college district of the State of Arizona, hereinafter the "College", and referred to collectively hereinafter as the "Parties":

## WITNESSETH:

WHEREAS, in 2017, Parties entered into an IGA formalizing the arrangements pertaining to improvements provided by College and access to the Sedona Performing Arts Center, hereinafter the "Facility", granted by District; and

WHEREAS, Parties desire to establish a new IGA with revised terms and conditions for continuation of the arrangements and collaborative efforts supporting mutually beneficial opportunities; and

WHEREAS, ARS §11-952 authorizes two or more public agencies (including the College and the District) to contract for services or jointly exercise any powers common to the contracting parties, if the agreement meets certain requirements set forth in §11-952; and

WHEREAS, the College and District desire to formally re-state Facility arrangements by entering into this IGA; and

NOW, THEREFORE, for and in consideration of the mutual covenants and promises herein, the parties hereto agree as follows:

<u>Section 1</u>. PURPOSE. The purpose of the IGA is to memorialize good faith efforts by Parties for Facility improvements and expanding accessibility to College in support of increasing events at Facility in support of the student experience and community outreach.

<u>Section 2</u>. OBLIGATIONS OF THE COLLEGE. College shall coordinate with District to determine mutually agreed upon obligations on behalf of College for improvements to Facility in support of the Purpose of this IGA.

Section 3. OBLIGATIONS OF THE DISTRICT. District shall allow College access to

Facility at no charge for College-sanctioned classes and events and community programming as part of College curriculum. District shall be responsible for the maintenance and care of Facility.

Section 4. SCHEDULING. Prior to each semester administration from the College and the District shall meet to determine needs, curriculum, and scheduling. Scheduling may include but is not limited to afternoon, evening, nights and weekends for each semester including summer. In addition, scheduling is not limited to the black box theater and may include other classrooms and spaces for programming including the auditorium and stage facilities.

<u>Section 5</u>. TERM. The term of this Agreement shall be from July 1, 2022 through June 30, 2027, unless sooner terminated as set forth in Section 6 herein. The Parties may extend the IGA up to five years at any time upon mutual written consents.

<u>Section 6.</u> TERMINATION. This Agreement may be terminated by either party for any reason whatsoever, effective 60 days after receipt of notice. In the event that the agreement is terminated the District must allow the College to complete coursework through the current semester. In addition, if less than 5 years left on the agreement the District agrees to reimburse the College \$750/month of the remaining agreement.

<u>Section 7.</u> INDEMNIFICATION. Each party (as 'indemnitor') agrees to indemnify, defend, and hold harmless the other party (as 'idemnitee') for, from and against any and all claims, losses, liability costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees, or volunteers.

<u>Section 8</u>. INSURANCE AND LIABILITY. The parties hereto shall maintain such insurance programs (including policies of insurance, participation in risk retention pools, and self-insurance plans) as they individually deem necessary to indemnify against liability resulting from actions taken by their respective employees and officers under this Agreement. In the event of any claim, action, settlement or judgment against any party based upon acts pursuant to this Agreement, that party shall bear sole responsibility for defense and payment of the same.

<u>Section 9</u>. NO PARTNERSHIP; NOT EMPLOYEES. Nothing herein is intended to create a partnership or joint venture between the parties, nor does it create an employment relationship between the personnel of the College and the District, or the personnel of the District and the College.

Section 10. NOTICES. All notices provided in connection with this Agreement shall be in writing and shall be deemed to have been sufficiently delivered or served when presented personally or upon the third (3rd) day after being deposited in the United States mail, postage prepaid, by registered or certified mail, addressed as follows:

College:

Yavapai Community College

1100 E. Sheldon Street Prescott, Arizona 86301 Attn: Purchasing & Contracting

District: Sedona Oak Creek Unified School District

Section 11. ASSIGNMENT. This Agreement shall not be assigned by either party hereto.

Section 12. ARBITRATION. In the event of a dispute hereunder, the Parties agree to use arbitration insofar as applicable by Section 12-1518, Arizona Revised Statutes, and rules promulgated thereunder.

Section 13. CONFLICT OF INTEREST. The Parties understand that this Agreement is subject to cancellation pursuant to Section 38-511 of the Arizona Revised Statutes, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement is or becomes, at any time while this Agreement or any extension hereof is in effect, an employee or agent of the other party, specifically with respect to the subject matter of this Agreement.

<u>Section 14</u>. GOVERNING LAW. The laws of the State of Arizona shall govern this Agreement, the courts of which state shall have jurisdiction of the subject matter hereof.

<u>Section 15.</u> WAIVER OF JURY TRIAL. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court.

Section 16. WAIVER OF ATTORNEYS' FEES. The parties hereto expressly covenant and agree that in the event of litigation arising from this Agreement, neither party shall be entitled to an award of attorney fees, whether pursuant to the Agreement, to ARS Section 12 341.01 (A) and (B), or to any other state or federal statute, court rule, case law, or common law.

<u>Section 17</u>. FURTHER INSTRUMENTS. Each party hereto shall, promptly upon the request of the other, have acknowledged and delivered to the other any and all further instruments and assurances reasonably requested or appropriate to evidence or give effect to the provisions of this Agreement.

Section 18. AMENDMENT AND CONSTRUCTION. This Agreement sets forth the entire understanding of the parties as to the matters set forth herein as of the date of this Agreement and cannot be altered or otherwise amended except pursuant to an instrument in writing signed by each of the parties hereto. This Agreement is intended to reflect the mutual intent of the parties with respect to the subject matter hereof, and no rule of strict construction shall be applied against any party.

Section 19. AUTHORITY. The individual signing below on behalf of each party hereby represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of the respective party, and that this Agreement is binding upon the Parties according to its terms.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by and through their authorized representatives the day and year first-above written.
