

Travel Guidelines for Interview Candidates

PURPOSE

The purpose is to establish guidelines for reimbursement and assist candidates with travel related interview expenses. These guidelines are in correspondence with Yavapai College's Travel Policy and should be reviewed here, [Travel Procedures Manual](#).

ELIGIBILITY

Candidates that are eligible for reimbursement are those that are invited to and attend an on-campus interview for full-time faculty or staff positions, approved by the Chief Human Resources Officer. Candidates will be responsible for making their own travel arrangements. Expenses will be reimbursed for the interview candidate only, and will not include any expenses related to additional travel companions. **If you drop out of contention or are offered the position and decline, you will not be eligible for reimbursement.**

For hotel reimbursement the candidate must be traveling from a location more than 120 miles away.

COVERED EXPENSES

Payment is limited to reimbursement of meals, lodging, and transportation related expenses. The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Economy class travel shall be used unless it is documented that utilization of another method of travel is more cost-efficient or practical.

REIMBURSEMENT/RECEIPT/AMOUNTS REQUIREMENTS

Candidate must first pay for all expenses and submit original itemized receipts (**showing proof of payment**) for reimbursement to Yavapai College, Human Resources. Travel, lodging, or other expenses provided using loyalty or reward incentive programs *are not* eligible for reimbursement. Travel expenses due to personal visit or extension of a trip *are not* eligible for reimbursement.

Maximum reimbursement is limited to INTERVIEW DAY(S) + ONE (1) DAY WHILE TRAVELING.

- The following airline fees are not reimbursable (early check-in, change of flight, first class/business class upgrade, priority seating, trip cancellation, optional travel/ baggage insurance). Baggage fees may be reimbursed up to 1 bag per candidate.
- If using a personal vehicle as primary method of travel/transportation, mileage will be reimbursed at the current approved YC rate (this rate includes gas costs and associated operational expenses). Only the most direct route will be reimbursed. Please provide google map/map quest to document mileage.
- Meals will be reimbursed at the most current approved YC per diem, using AZ State guidelines rate based on times of travel. Meals provided free of charge by a hotel (continental or hot) or YC are not eligible for reimbursement.
- Reimbursement for parking will be limited to the lowest cost economy uncovered parking available.
- If using a rental car, candidate can submit receipts for rental car and gas expenses. Rental car expenses (up to the base price of a standard/midsized car, gas, plus taxes) will be reimbursed. Reimbursement will not be made for any additional insurance, upgrades, prepaid fuel options or other fees.
- When booking packaged deals through discount websites (Expedia, Travelocity etc.), documentation showing the cost of each specific item (airfare, hotel, rental car etc.), including payment method, is required for reimbursement.
