Welcome Back Faculty!

We hope that you had a chance to rest and recharge this summer! Fall semester is just around the corner and we wanted to make sure that you were caught up on some things that happened over the summer.

First, the yearly required training was launched in July through My Learn with the due date of Oct. 31. We listened to the feedback from last year and streamlined the number of courses and amount of time that your training will take. Completion of the required training will count toward the Learning Excellence competency for the performance evaluation this year. Here’s how to access your courses:

On your Learn Dashboard, all your courses will be listed. You can see each course length on the course card. To get started, simply click on Start for each course.

Need help? Attend an info session on how to access your courses on Thursday, Aug. 26, 12 – 12:30 pm

**Juneteenth**

In support of our equity value and President’s Equity Taskforce focus, the ELT recently agreed to add another holiday to our YC offerings. Juneteenth, a federal holiday, will now be a paid holiday for all regular employees and 12-month faculty. The College will be closed that day in remembrance and celebration.

Juneteenth (officially Juneteenth National Independence Day and historically known as Jubilee Day, Emancipation Day, Freedom Day, and Black Independence Day) is now a federal holiday in the United States commemorating the emancipation of enslaved African Americans. Juneteenth will be celebrated annually on the 19th of June to mark the date when some of the last enslaved people in the Confederacy were notified of their freedom following the Civil War.

Emily Weinacker, CHRO, said, “This will be a great opportunity for YC to educate our students and employees on the history and meaning of this federal holiday.”
