

## Final OLLI Curriculum Committee Goals 2018-2019

1. Beginning in Spring 1, 2019, the Curriculum Committee will expand opportunities for facilitators to offer evenings, weekends, additional locations, and alternative topics and delivery methods. The committee will track facilitator interest, classes offered, enrollment and attendance trends and will offer at least two non-traditional choices each session.
2. The Curriculum Committee will recruit at least 30 new facilitators during fiscal year 2018-2019 through expanded outreach and support, including establishing a Technical Assistance Program deploying at least 15 Technical Assistants (in conjunction with the OLLI Tech Committee).
