Registration opens August 7
**From Your Joint OLLI Council**

Welcome to the Fall 1 session of OLLI at Yavapai College! As always, our extraordinary team of volunteers has been working with YC staff to fill the OLLI catalog with a variety of classes and activities. Remember, your membership includes classes at the YC Prescott Campus, the YC Sedona Center, the YC Verde Valley Campus in Clarkdale, and offsite OLLI programming. There are plenty of ZOOM options as well, to help us all stay connected without having to go anywhere.

If you’re a new member, look for the “Member Welcome” class (OZ-401-F124) to connect with current members and find out all the benefits that come with an OLLI membership. If you’re not new, and you missed this class in the past, you’re always welcome to sign up. You might be surprised at how much is offered that you never knew!

The volunteer Governing/Leadership Councils have been working diligently to keep our organization thriving. This session marks the end of my (Linda’s) term as Chair of the OLLI Prescott Governing Council. It has been a pleasure to serve in leadership. I’ve been inspired by the commitment of my fellow council members, and the untiring dedication of volunteers and staff to keep our catalog filled with choices, to help our members feel connected and enriched, and to do all of it with the joy and satisfaction that comes from selfless giving. I also welcome Sharon Sherman as she begins her new role as the OLLI Sedona Verde Valley Leadership Chair and wish her the very best.

Thank you for the opportunity to serve our OLLI membership,

Linda Neville  
Prescott OLLI Governing Council Chair

Sharon Sherman

What is a SIG?
SIGs are on-going groups that are initiated and run by OLLI members to focus on a particular hobby or other interest. SIGs are FREE and open to all OLLI members (unless otherwise noted). The current SIGs are described below, along with contacts to get more information or join.

TUESDAY TRIVIA
Join the fun! This drop-in group meets weekly on Zoom and is completely NON-competitive. We play some on-line trivia games, and all try to guess the answers together. Lots of laughs – especially at some of our wild guesses. No need to sign up or commit to coming weekly. Just join us when you can. For more information contact Bev Thurber at: thuberbw@gmail.com  ZOOM LINK : https://yavapai.zoom.us/j/92568199975?pwd=UFdLUDBsOVNNTXM1ZVFCK0RoT25Hdz09

SOCIAL BRIDGE ONLINE
Members of this SIG play Bridge online weekly using the Bridge Base Online (BBO) website or apps. Any OLLI member with basic Bridge playing skills is welcome to join. Note that we do not teach beginners how to play Bridge. Occasionally, Bridge classes are offered by OLLI for that purpose. For more information about this SIG, or to join, please contact Doug Adams via email at ret2az09g@gmail.com or by phone at (928) 759-2363.

WRITE WHAT YOU WANT
The Creative Writing SIG gives people who love to write and want to share their writing an opportunity to do so. We meet via Zoom weekly. Six to ten people usually attend, You may read—or not read—a piece you have written. Pieces can be poetry, prose, memoir, fiction or non-fiction—all is grist for the mill except pornography and political statements. We welcome anyone who loves to write. To join us, send an email to Jim Veney at: jimeveney@gmail.com

Registration opens August 7
**Chair Corner**

Welcome to the Fall 1 session of OLLI at Yavapai College! As always, our extraordinary team of volunteers has been working with YC staff to fill the OLLI catalog with a variety of classes and activities. Remember, your membership includes classes at the YC Prescott Campus, the YC Sedona Center, the YC Verde Valley Campus in Clarkdale, and offsite OLLI programming. There are plenty of ZOOM options as well, to help us all stay connected without having to go anywhere.

If you’re a new member, look for the “Member Welcome” class to connect with current members and find out all the benefits that come with an OLLI membership. If you’re not new, and you missed this class in the past, you’re always welcome to sign up. You might be surprised at how much is offered that you never knew!

The volunteer Governing/Leadership Councils have been working diligently to keep our organization thriving. This session marks the end of Linda’s term as Chair of the OLLI Prescott Governing Council. It has been a pleasure to serve in leadership. I’ve been inspired by the commitment of my fellow council members, and the untiring dedication of volunteers and staff to keep our catalog filled with choices, to help our members feel connected and enriched, and to do all of it with the joy and satisfaction that comes from selfless giving. I also welcome Sharon Sherman as she begins her new role as the OLLI Sedona Verde Valley Leadership Chair and wish her the very best.

Thank you for the opportunity to serve our OLLI membership,
