

ABOUT US

Arizona Christian University is an accredited, private, non-profit, Christian university offering a wide variety of degrees preparing students for successful careers, while remaining committed to its vision of transforming culture with biblical truth. Students actively engage in biblically-integrated academics and gain a liberal arts foundation with critical thinking skills that last a lifetime. Spiritual development is also integrated within the University experience, where all four-year campus students receive a minor in Biblical Studies, attend chapel twice a week, and complete spiritual formation and service hours each semester.
