- >> We accept transfer students for all quarters.
- >> There are no minimum units required. We evaluate transfers course-by-course for maximum transferability.
- >> Associate's degree graduates can enter with Junior status and achieve a Bachelor's degree in 2 years.
- >> We have a quick turnaround on transfer credit evaluations.
- >> We offer exclusive scholarships to our transfer students.

BECOME A SUCCESS STORY

After a year of hard work at FIDM, I found myself on FIDM's Denim Study Tour in the design room at GUESS. That's when I decided to apply for GUESS's Summer internship program. During my internship I learned more than I ever could have imagined. It was such an amazing experience being able to apply what I had learned in the classroom to my projects in the office, and vice versa.
