

Finish Your Bachelor's Degree With NAU

Northern Arizona University and Yavapai College have partnered to help you reach your academic goals.

Flagstaff | Statewide | Online

Earn an associate degree, then transfer to NAU. Programs are available on the Yavapai College campus, NAU – Yavapai, Flagstaff, and online.

Your path 2NAU

Stay on track toward earning your associate degree, then transfer to NAU and finish your bachelor's degree.

nau.edu/2nau

- Receive guidance from your community college advisor and NAU student service coordinator.
- Plan your courses and enroll in the right classes when you need them.
- Save time and money by having a clear path toward earning your degrees.
- Waive your application fee when ready to transfer to NAU.
- Potentially qualify for a \$2,000 per year scholarship, which can be stacked with other transfer scholarships.

90/30 programs

NAU offers bachelor's degree programs that allow you to transfer up to 90 credits. Complete 90 credits through Yavapai College, then complete your remaining 30 credits (10 classes) through NAU.
