

QUESTIONS TO ASK UNIVERSITY TRANSFER ADVISORS

Use the following sample questions to help you when speaking with universities to get a good understanding of whether their university will be a good fit for you.

- Do you have a degree in _____? (what interests you)
- Where is that degree offered? (which campus, online, etc.)
- I'm interested in _____, what degree will help me reach my goal?
- How many credits can I transfer from my community college?
- Are there special admission requirements?
- What is the cost of tuition and what other expenses should I prepare for?
- Are there scholarships for transfer students?
- How do you support transfer students? (mentoring, orientation, advisors)
- What important deadlines do I need to know?
- What are some on- and off-campus living options?
- Do you have on/off campus transportation?
- Extracurricular opportunities – clubs, athletics, social activities, study abroad, internships, honors program?
- How does your school assist with job placement?
- How can I schedule a campus visit?
- Whom should I contact next?
- How can I get more information?
- What is my next step to transfer?
