OPEN UNTIL FILLED

Summary

IntraPac Prescott in Prescott, Arizona is a polyethylene extrusion blow molder, first established in 1965. As an ISO 9001 registered company, we are dedicated to delivering the highest quality in every item we produce. To help differentiate our products, and meet specific needs, we design, develop and produce customized items. We utilize proprietary systems and technology to uphold our 50-year reputation for operational excellence.

Essential Functions

1. Maintaining the work space in a clean and safe manner
2. Inspect finished parts rapidly, evaluating container quality as trained
3. Pack newly produced parts per carton instructions
4. Monitor surrounding equipment by observing the production line operation and being aware
5. Report any issues or unusual operations to supervisor or technicians immediately
6. Performance is measured by safety, overall quality, productivity, attitude, attendance and ability to work as a member of a diverse team

Competencies

- Observation skills applied to all parts of the production line, conveyors, grinders, bottle orienteering, trimmers and flammers
- Ability to hear, recognize and respond to abnormal production sounds in a constructive manner
- Ability to visually inspect produced parts and see specks as small as 0.2 mm
- Willingness to follow written and verbal instructions
- Participate in the improvement of operations by sharing ideas

Competencies continued

- Ability to effectively communicate with teammates
- Demonstrates teamwork by helping others without being asked
- Willingness to learn about different areas of production
- Demonstrates responsibility by consistently arriving on time to assigned shift

Supervisory Responsibility: None

Work Environment

Work is performed 100% in the production plant.

Physical Demands

While performing the duties of this job (and throughout the entire 12-hour shift), the employee is required to walk between machines and equipment, stand, bend, stretch, and lean as necessary to visually inspect and listen to equipment. The employee is on their feet and frequently is required to walk; use hands to finger, handle or feel; reach with hands and arms; talk and hear. Must have the ability to lift and move objects 20 pounds frequently and occasionally up to 30 pounds with ease. Specific vision abilities include close vision, distance vision, color vision and ability to adjust focus. Personal protective equipment is provided by IntraPac Prescott.

Expected Hours of Work

This is a full-time position in a manufacturing environment with three – 8 hour shifts running 24 hours a day. Please contact us for current shift openings.

| | Sun | Mon | Tues | Wed | Thurs | Fri | Sat | Total Hours |
