

2023 Fall Faculty from Office of the Registrar

Accessing Rosters

Access your rosters **daily** during the first two weeks of the semester -- and then on a weekly basis to know who is -- or is not - attending/participating in your class. *It is your responsibility to monitor enrollment and attendance.* **My Class Roster** in your portal shows current enrollment. Update your roster regularly by dropping no-shows and by withdrawing students who are not participating.

Note: Recording no-shows is required by Federal financial aid and Veteran's Administration regulations

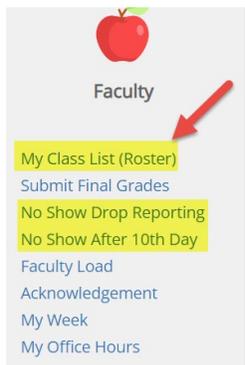

Faculty MUST drop all no-shows by August 23.

Monitor rosters for current enrollment-via www.yc.edu (not Canvas)

Log into www.yc.edu with username/password; **click on Faculty; choose a link:**

- **My Class Roster** - use this link to verify current enrollment and to contact students
- **No Show Drop Reporting** - use this link to drop students as "no shows"
- **Submit Final Grades** - use this link to submit final grades

Registration is an online process for students. Your roster will change through **Monday, August 21**, as students add classes - and through Wednesday, August 23, as students drop classes and as faculty drop "no shows".

Faculty initiated Early Alert

POT 1 (Full-length semester classes) and POT81 Student registration deadlines:

Last day to add: Monday, August 21

Last day to drop: Wednesday, August 23

Last day for refund: Wednesday, August 23

Deadline for *student-initiated withdraws* for full semester classes: Friday, November 10

Mark your calendars: September 25 is FTSE! Watch for future communications from the Registrar.

FERPA Reminder: All student information contained in Yavapai College education records is confidential.

FERPA reminders for Faculty and Instructional Staff

“If in doubt, don’t give it out.”

Sharing student information with anyone other than the student is not appropriate in most situations!

ALWAYS use the scholar email in communication with students - never the student’s home email.

POSTING GRADES: It is inappropriate to post grades in a public setting or to share grades with anyone other than the student. Students have access to their grades in Canvas and via their portal unofficial transcript. Please refer them to these online sources. Students can call 928.717.777 if they need assistance logging into their portal or accessing their information online.

WEB-BASED TOOLS TO SUPPORT CLASSES: Instructors with courses supported by class websites and/or discussion groups must take extra precautions to not inadvertently release non-directory student information. It is recommended that such Web-based tools employ a security layer so that only class members and instructors can access appropriate information.

STUDENTS OPTING FOR “Confidential” IN THE CLASSROOM SETTING: Students *cannot* choose to be anonymous in the classroom setting. If a student has chosen “confidential” for his or her directory information, that does not mean that an instructor cannot call on him or her by name in class or that the student’s email address cannot be displayed on an electronic classroom support tool such as a discussion board, blog, or chat feature. **“Confidential” means that the instructor cannot refer to that person as a student to anyone outside of the classroom.** It is best to assume that all students have that flag, since a student can request that it be added to his/her record at any time.
