## *To The Graduating Class of 2020*

Due to the COVID-19 pandemic, our traditional commencement events were cancelled. We are truly sorry that we aren't able to celebrate with you in person. We know that commencement is an important milestone in many lives, a celebration of all of the hard work that you put in that culminates in the transition to the next chapter of your life.

Although we are not all together in person, it is safe to say that the entire Yavapai College family is together today in spirit. We hope that this virtual commencement ceremony is memorable, joyful and that it brings you conclusion to your educational chapter. We hope you understand that just because we are not at a traditional ceremony, it in no way diminishes all of the accomplishments that you have achieved.

Yavapai College congratulates you on your graduation, and we hope that you enjoy this virtual commencement ceremony.

### *Special Appreciation During the COVID-19 Pandemic*

Thank you to our Service Members for your military service.

Thank you to our First Responders - medical, law enforcement and fire -  
for serving our communities.

***Commencement*** is a ceremony containing tradition and protocol that has been passed down through the generations. The origin of awarding degree and the necessity for graduation ceremonies began in Medieval Europe in approximately 1160 AD at the University of Bologna, Italy.

A ceremonial mace is a highly ornamented staff of metal or wood, carried before a high official in civic ceremonies by a mace-bearer, intended to represent the official's authority. A mace leads a ceremony with tradition and grandeur.

Gowns worn by graduates and faculty have evolved from costumes worn in European universities in the 14th and 15th centuries. Gowns traditionally differ according to the level of the degree earned. Hoods worn with the master's and doctoral gown represent the university and discipline in which the degree was earned.

The cap is adorned with a tassel that represents the discipline or the institution. The tassel generally is worn on the right side before the degree is conferred and transferred to the left afterwards.

## **FACULTY ADDRESS**

**Dr. Jennifer Jacobson** earned her Ph.D. in Sociology in 2008 from Arizona State University. Her area of study includes gender, and her research has focused on the lack of men in predominantly women's occupations such as elementary teaching. When she isn't trying to convince men to become teachers and women to become firefighters, she's getting her 10,000 steps a day...but always 6 feet away from the next person!

## **STUDENT SPEAKERS**

### **Prescott Area**

**Ms. Jessica Zieran** is wife to Kevin Zieran, a US army veteran, and a mother to six children. As a person who has had to overcome adversity, Jessica is passionate about people and about helping individuals unlock their own potential. Jessica completed an Associate of Arts degree from Yavapai College in December and transferred to Northern Arizona University, where she is currently working on toward a Bachelor's degree in Interdisciplinary Studies of Strategic Leadership. Often described as over-caffeinated, when not working or spending time with family, you will likely find her with a ukulele in her hands and a cup of coffee not too far away.

### **Verde Valley Area**

**Mr. Ken Froessel** has been a resident of the Verde Valley for nearly 30 years. During a life transition in 2019, Ken returned to school after many years to complete his Associate of Arts degree at Yavapai College. He is a member of Phi Theta Kappa Honor Society and the 2020 All-Arizona Academic Team. This Fall he will transfer to Northern Arizona University to seek a Bachelor's in Social Work, and then go on to complete his Master's in Social Work. Ken plans a career in social work with a focus on counseling. He currently tutors for the Yavapai College Learning Center in writing, and in the capacity of a lab assistant for ADA students. In his spare time, you can find him running trails and volunteering for Arizona Crisis Team (ACT), which provides emotional, practical and resource assistance to citizens impacted by any type of crisis.
