Section I: General Resident Information

Check-In
All residents must complete an online check-in and room condition report (RCR) upon moving into the residence halls. Failure to report damage within 24 hours of check-in grants the Office of Residence Life permission to assume no damage was found in the room upon move-in.

Check-Out
Residents are required to check-out of the halls within 24 hours of their last scheduled final exam. Upon moving out of the halls, residents are required to complete all move out instructions and cleaning expectations as communicated.

When completing the online check-out and RCR, the resident should report any new damage to the room that occurred during their occupancy. Improper check-out may result in additional charges, the forfeit of the housing deposit, or both. All damage charges are assessed to the students account for immediate payment.

Community Safety and Security
The Office of Residence Life expects all community members to take reasonable action to prevent harassment, discrimination, and sexual violence and violation of the Housing Handbook or Student Code of Conduct. Action may include direct intervention, a call to an RA (Resident Assistant), a call to Campus Safety, or a report to a person in authority. The residence halls are equipped with video surveillance cameras in public spaces. Cameras are monitored and recorded 24 hours a day.

To report a crime in progress or an emergency, call 911.

To report suspicious activity or a non-emergency, contact Yavapai College Campus Safety @ 928-237-0420

Security Policy and Guidelines are as follows:

- Residents must lock their room doors when rooms are vacant
- Propping open, tampering, or disabling residence hall entry doors is prohibited
- Tampering with any residence hall lock is prohibited
- Duplication of keys or cards or misuse of combinations to any building, room, closet, or office is prohibited.
- Loaning, borrowing, or using another resident’s student ID/access cards is prohibited
- All normal entry and exit are through the main access doors of each building
- Allowing another person or persons to enter the residence halls by holding the door for them (tailgating) is not permitted.

Unauthorized Room Entry: In an effort to maintain the privacy and security of all persons in or around the residence halls, students and/or their guests are not permitted to enter the room of another resident unless specifically invited to enter their room.

Implied Consent
Students are responsible for all activities that occur in their residence hall room. By allowing the existence of behaviors or items that violate Residence Life or college policy, students demonstrate an implied consent for the violations. As a result, students are responsible for taking an active role in ensuring that inappropriate behaviors or items do not exist in the residence hall room. Residents should report behaviors or items that violate residence hall or college policy to a staff member or an RA. Passive participation in events that violate
the Student Code of Conduct or the policies in this Housing Handbook will be viewed as a policy violation.

Bystander/Amnesty Exemption
The Office of Residence Life recognizes that fear of disciplinary outcomes may hinder reporting or requests for help and has developed an Amnesty or Bystander Intervention process to alleviate such concerns and encourage residents to respond.

The Office of Residence Life provides disciplinary amnesty for students, who report:

- the intoxication of others;
- an act of bias or discrimination; and
- a sexual assault, another form of gender-based discrimination, or sexual violence

In such cases, the incident will be documented, and educational or health interventions may be required as a condition of foregoing disciplinary sanction. The reporting student will not receive a violation on their record. This Amnesty policy applies to the College’s student conduct disciplinary process. The Amnesty policy does not apply to repeated, flagrant, or serious violations or violations that caused harm to another person. This policy does not preclude action by Campus Police or other outside legal authorities.

Fire Safety and Evacuation
To enhance the safety of everyone—including emergency response personnel — residents and guests must follow directions given by staff, emergency responders, or the voice system when evacuating the buildings. A fine and conduct review will be assessed to residents who do not evacuate the building. Resident Procedures for Emergency Evacuation are posted on the interior door of each room. Removing this post is prohibited.

Tampering, damage, or misuse of fire safety equipment, alarms, extinguishers, exit signs, and smoke detectors is prohibited. Including:

- Touching, hanging any items from, or covering sprinkler heads and smoke detectors.
- Falsely reporting, setting, or causing a false alarm is prohibited.
- Violation of these policies may result in immediate eviction.

Service and Assistance Animals
Individuals must comply with the Yavapai College Service Animal Guidelines set forth by Disability Resources and housing rules and regulations as they pertain to animals in the residence halls, all applicable federal, state and county laws and regulations, including vaccination, licensure, animal health and leash laws.

- Yavapai College is not responsible for the care or supervision of service and/or assistance animals.
- Individuals are responsible for always controlling their companion animals and ensuring the immediate clean-up and proper disposal of all animal waste.
- Service and Assistance Animals must be crated when left in a residents’ room unattended.

Guests
It is the responsibility of the host resident to ensure that all guests who enter the residence halls check-in using the guest check-in form in the residence life app. Alternatively, the host resident may check-in a guest using the QR code posted at the front entrance of each hall.
Host residents are responsible for the actions of their guests and may be held accountable for their actions. Any guest who violates any policy while in the residence halls or surrounding areas may be subject to penalties, including removal and restriction from further entry. Host residents must receive roommate approval before having guests enter the room.

Guest Policies are as follows:

- Guests must be 18 years or older.
- Guests must always be accompanied by their host resident, even while in the host resident’s room.
- All guests must be checked in by the host resident prior to building entry.
- Overnight guests are prohibited during the first two weeks and the last two weeks of each semester.
- A guest may not stay more than two consecutive nights within a 30-day period.
- A host resident is not allowed overnight guest for over eight nights per semester.
- There is a maximum of one guest allowed in any room on a given night. Only one guest per room is allowed.
- This policy applies to all host residents, even those in single rooms.

Quiet and Courtesy Hours
Residents and guests are expected to respect others and to assert their right to an environment that promotes learning. Excessive noise or behavior that disturbs others within YC housing is not permitted. During quiet hours, no noise should be heard outside of the rooms. Residents should also be aware that the City of Prescott prohibits unnecessary noise that disrupts the community. For more information on this ordinance, visit prescott-az.gov.

**Quiet Hours**
- Sunday – Thursday: 10 pm to 8 am
- Friday – Saturday: midnight to 8 am

24-hour quiet hours are observed throughout the entirety of finals week.

**Courtesy Hours** are in effect at all other times, and guidelines are as follows:

- Loud noise, including talking loudly on a cell phone, yelling or loud music is not permitted in or around the residence halls. The use of bass with portable speakers must be closely monitored due to the vibration that it causes in a residence hall environment.
- Amplified instruments, drum sets and other items that create loud noise are prohibited.

Continued issues of excessive noise, regardless of time of day, may result in disciplinary action. Residents who receive up to three noise warnings will be referred to the Student Conduct Office for violation of this policy.

**OneCard, Room Keys, and Lock-Out Assistance**

- **OneCard**: The OneCard is Yavapai College’s identification card for students. The OneCard is used to access records, use the meal plan, set up a Flexicash account, check materials out at the library, and to access secured buildings on campus. The OneCard is required to enter the residence halls.
- **Room Keys**: Residents receive a room key upon check-in and are responsible for the key throughout occupancy. Lost room keys are a safety concern and must be reported to the Office of Residence Life immediately. The fee to replace keys and change the lock on the door is $75.
- **Lock-out Assistance**: If a resident is locked out of their room, they are instructed to contact Residence Life on-call phone @ 928-717-7177. College staff will not grant access to any room if the resident does not have their student ID present. Under no circumstance will staff unlock a room for a non-resident. To promote the responsibility and safety of the residential community, the Office of Residence Life will charge a $15 fee for
each lock-out incident that occurs after the first three requests for assistance.

Room Consolidation
The Office of Residence Life reserves the right to consolidate single occupants of rooms (non-paid for private rooms) at any time. Residents asked to move are given 48-hour notice. When possible, the resident can buy out the full room as an alternative to moving. If consolidation is not possible, the resident may stay in their current room without a roommate until the department places a new resident into the unoccupied half of the room. The unoccupied half of the room should remain clean and ready for a new occupant at any time. All residents are given 24-hour notice when a new occupant moves in.

Room Changes
All residents are placed in room assignments for the entirety of their housing contract. Residents requesting a room change must first speak with a Residence Life Manager (RLM). The RLM will attempt to resolve any issues between roommates. Final room changes are approved by the RLM. Changing rooms without permission is a conduct violation.

Room Entry by College Personnel
College officials reserve the right to enter and inspect residence hall rooms at any time necessary to protect and maintain the property of the College, or the health and safety of its students. The College reserves the right to enter a resident’s room, during regular business hours and at other times with advance notice, if possible, to the resident, for the following reasons: to conduct periodic maintenance, custodial, and health and safety checks; and when the college reasonably believes any person(s) occupying the room may be physically harmed or in danger.

In instances where the College reasonably believes that college rules, regulations, or policies are violated, college officials will obtain consent by the resident before entering a room. After entering a resident’s room, college officials may request consent from the resident to perform administrative searches of residents’ individual property in the room.

Confiscation
The Office of Residence Life has the right to confiscate any prohibited item. Any item left in a room after checkout or found in public areas in the halls will be held for 5 days and then become the property of Yavapai College.

Health and Safety Room Checks
The Office of Residence Life reserves the right to take inventory and inspect rooms at reasonable, announced times. Health and Safety Room checks ensure that residents maintain safety standards for the entire community’s benefit.

Health and Safety Checks include, but are not limited to:
- Checking that smoke detectors are intact and functioning properly
- Checking for general safety hazards
- Any issues that may contribute to general sanitization concerns

While the primary purpose of Health and Safety checks is to ensure that the facilities are maintained in a manner that promotes a safe living and learning environment, any violations of the Student Code of Conduct or Residence Life and Housing Handbook will be noted accordingly and may be subject to conduct review.
Room Maintenance Requests
• Non-Emergency Maintenance: The online Room Repair Request allows residents to report non-emergency maintenance issues to the Office of Residence Life at any time of the day. After submitting a Room Repair Request, residents receive status updates via scholar email as the request is processed and completed.
• Emergency Maintenance: Conditions that can cause excessive damage or impact a resident’s safety (i.e., gushing water, leaks, sparks or shorts from electrical outlets, shattered windows, are maintenance emergencies and should be reported immediately by contacting the on-call phone @ 928-717-7177.

Trash/Recycle Disposal
Residents are responsible for removing all garbage, recycling from their rooms, and placing it in the appropriate outdoor receptacles. A Commercial dumpster is located outside of the residence halls. Recycling bins for paper, aluminum cans, and plastic bottles are in the common areas of each hall. Inappropriate disposal of trash in the hallways or lounge areas of the residence halls may result in a conduct violation process. The Office of Residence Life may charge a $15 trash citation fee for every reported incident.

Holiday Closures
The residence halls are closed during winter break and all residents must vacate during this closure. All residents must obtain approval to stay over Thanksgiving and spring break. Entry to the residence halls is not permitted and hall access is revoked during these scheduled closures. Failure to vacate during winter closure will result in a conduct violation process and may result in eviction from the residence halls.

Deposit Refund
Housing deposit refunds, when applicable, will be credited to the resident’s YC account to pay outstanding college charges or refunded to the resident upon proper check-out of the residence halls (in accordance with the housing contract). Deposit refunds are not released to the residents account for 4 – 6 weeks processing time. Residents returning for the following academic year must reapply, but their housing deposit will transfer from one year to the next.

Housing Fees and Appeal Process
A student has a right to appeal any damage, cleaning, key/door, lock-out fees, or check-out charges assessed by the Office of Residence Life upon check-out. After additional charges or fees are assessed, students will receive an email notification from residence.life@yc.edu to their YC email account outlining the charge(s) and the appeal process. All appeals must be submitted to the Office of Residence Life within 10 days of the initial notification outlining the charge(s). Appeals will not be considered after that deadline. The Office of Residence Life will research the appeal, consult appropriate staff, and make a final decision.
