

Get Started Information for AHS 114: Nursing Assistant

Start Here

- Meet with your academic advisor to ensure you have met the reading and math proficiency required for this course. Call Advising at 928-776-2106.

Application

- Go to www.yc.edu/alliedhealth and download or print the Nursing Assistant application.
- Complete and Submit it to Allied Health along with state ID and YC student ID.
*If this is your first class with YC, you can request the ID after registering for a class.

Purchase CastleBranch Order

- Castlebranch is a document depository that YC utilizes to store and track your vaccinations and other documents. Refer to the application for the purchase code. (cost \$132.50)

Immunization Requirements

- Refer to your application for all required immunizations. These must be submitted to, and approved by CastleBranch.
- BLS (CPR) card and Fingerprint Clearance Card also required.

YC Course Registration

- AHS 114 requires Special Approval before registering. The application and all requirements/vaccines must be completed before approval is granted to register.

After registration

- After you register, you will receive information for your drug screen in the mail to process through Sonora Quest Lab.
- Purchase your textbook, scrubs, and shoes.
