

# Our Mission

The mission of the Yavapai College Radiology Technology program is to provide quality education that will develop competent, caring, and ethical entry-level radiographers who value lifelong learning and adapt to continuous changes in the healthcare system.

# Our Goals

- Students will communicate effectively as a member of a healthcare team.
- Students will demonstrate the ability to apply critical thinking and problem-solving skills.
- Students will exhibit clinical competency by adhering to the ethical and professional standards of radiologic sciences.
