

YAVAPAI COLLEGE NAMING OPPORTUNITIES

HEALTH SCIENCES CENTER

YAVAPAI COLLEGE PRESCOTT VALLEY CENTER

NEW BUILDING NAMING

Yavapai College prides itself on constructing and maintaining state-of-the-art facilities with spaces and equipment for hands-on experiential learning equal to what is used in local and statewide healthcare organizations.

This 38,000-square-foot facility will be added to the existing Prescott Valley Center, joined by an outdoor atrium walking path, featuring large indoor meeting spaces available to the community and a rooftop garden space for college and community events.

- **Level One:** The first floor features areas dedicated to Nursing, LPN, EMT, Respiratory Therapy, Massage Therapy, and Physical Therapy Assistant.
 - + Simulator Suite
 - + Massage Therapy Program Area
 - + Physical Therapy Program Area
 - + EMS Program Area
- **Level Two:** The Second floor houses interdisciplinary learning spaces as well as area dedicated to Dental Assistant and Dental Hygiene.
 - + Dental Program Area
 - + Skills Labs and Classrooms
- **Level Three:** The third floor is a fully functioning conference center and event space with indoor and outdoor assembly areas, subdividable meeting spaces, and both indoor and outdoor hospitality facilities, able to accommodate groups up to 500.
