

Employee Engagement Committee Meeting Notes 2020/2021

Date: 2/09/21

Attendees: Julie Galgano, Jeremy Poehnert, Nicole Mangelsdorf and Ivonne Zuniga

We reviewed the YCSA Spring Convocation Feedback provided by Katherine Anderson.

It was decided that we could help with several items.

- **#3 Give student government a list of all the departments of all the campuses/centers and ask them how each department could support students better.**

These Three items could be addressed with a Meet to Learn facilitated by our committee:

- **A staff mixer monthly or bimonthly in a "speed dating" style, to meet more YC employees and get to see those who you don't normally see on a regular basis.**
- **What about virtual events, such as a coffee clutch, or brown bag lunch, to stay connected to other staff / faculty**
- **Student Development attends Wellness Wednesday each week. Tips and ideas on how to deal with the social effects of our virtual world, games, story time, social interaction, etc. What if there was something like this for everyone? Also a student version?**

Julie will send out pages of the "directory" for links to be attached. Ivonne will do page one, Nicole page two and Julie page three.

Julie will combine all information and send it out to the committee for review.

Discussion will follow on combining/topics headers, radial buttons at the top of the page and general page layout.

The committee liked a combination look of:
